

GOD'S PROMISE TO ABRAHAM

GENESIS 12:1-9; 15:1-6; 17:1-7

One day God spoke to Abraham. God said, "I want you to move, Abraham."

Abraham listened. God told Abraham to leave his father's home and go to a new land. In the new land God promised He would give Abraham many children and make him a great leader. People would know Abraham's name and see that God loved Abraham.

So Abraham did what God said to do. Abraham packed up all his things. He loaded the wagons and donkeys. Abraham's family packed all their clothes. They traveled a long time until they got to the place where God wanted them to live, a land called Canaan.

God was pleased that Abraham obeyed. God said, "I will always keep my promise to you, Abraham. You and your wife Sarah will have a son. Many more children will be born in your family. I will bless you and your family forever."
