God created the world and everything in it for His glory. List ways you could use your unique characteristics to bring God glory. Or write a short prayer, thanking God for creating you in His own image.

## FAMILY DISCUSSION STARTERS

- How did God create Adam and Eve? (See Genesis 1:26–2:25.)
- What does it mean to be created in God's image? (*We have qualities similar to God like being wise, loving, and creative; but we are not God. He is all-knowing, ever compassionate, and the Creator.*)
- How can you and your family recognize God's image in each other this week?

## God Created People

Genesis 1:26–2:25

**MAIN POINT: GOD CREATED PEOPLE IN HIS OWN IMAGE;  
GOD CREATED THEM MALE AND FEMALE.**

On the sixth day of creation, God made people in His very own image. God took dust from the ground and made a man. God told the man to work in the garden and take care of it.

God provided food from the trees for the man to eat. Then God said, “You can eat from any of the trees in the garden, except for one.” God warned the man, “If you eat from that tree, you will die.”

God decided to make a helper for the man. God made wild animals and birds, but none of the animals was a good helper for the man.

So God made the man fall fast asleep. He took one of the man's ribs and created a woman.

The woman was a perfect helper for the man. The man's name was Adam, and his wife's name was Eve.

God looked at everything He had made, and it was very good. On the seventh day of creation, God rested.

*Christ Connection: God created people in His own image. Adam was like God in some ways, but he was not a perfect representation of God. God sent His Son, Jesus, to show us exactly what God is like. (Colossians 1:15) Jesus is the perfect representation of God because He is God. (Hebrews 1:3)*
