

# Jesus Suffered for Us

## Philippians 2

### Family Discussion Starters:

- How does Paul describe the attitude of Jesus?
- What does it look like to have the same attitude as Jesus?

### Family Activity:

Write thank-you notes to people who have served your kids at church. Deliver the notes and thank them for sharing the good news of Jesus. Remind your kids that we can follow Jesus' example of humility when we serve others for God's glory.
