They Need Jesus

The people of Myanmar need to know about the one true God. Many believe in different gods that are not real. They believe in things that seem very strange to us. When they hear about Jesus, they don't always understand that the true God loves them so much that He died for them and rose again so that they could have eternal life. They do not understand that our sin hurts God and that we need forgiveness. Christians who share the gospel spend a lot of time getting to know people and forming friendships so that they can help people understand that the Bible is true.

Christian workers ask that we pray for the people of Myanmar to hear about Jesus and understand that they can have eternal life with Him.
