

Luis Soto is a church planter in the state of Utah. He started a church that reaches Spanish speaking people in Salt Lake City.

Luis and Beatriz (Betty) Soto, and their daughter Eliana, live in a city where they can use their first language, Spanish, and also English. Luis and Betty are both from Puerto Rico, so Spanish is the first language that they spoke.

Luis enjoys meeting new people and spending time with the people who come to his church. He wants people to understand what the Bible teaches about Jesus and how we can have eternal life in heaven.

Luis and Betty started a church called Grace Baptist. Many churches gave money to a missions offering that helped pay for the start of this church.

Salt Lake City is a beautiful place that many people like to visit. We can pray that everyone in the city will hear the truth about Jesus and choose to believe.
