

YOUNGER KIDS LEADER GUIDE

SOCIAL DISTANCING ACTIVITY ADJUSTMENTS

Unit 26 • Session 1

A Note for Leaders: Because each volume of *The Gospel Project for Kids* is written several months in advance of its suggested use dates and because it is available for purchase for three years, the activities in the leader guides do not reflect the current social distancing guideline requirements of many kids ministries. However, we want to do all we can to help you, especially in these challenging times, so we have provided activity adjustments as needed below. Please note that we cannot anticipate the various policies and needs of every ministry, so even these adaptations and replacements may need further revision for your context.

- Note: No changes or adjustments necessary.

EXPLORE THE STORY ADJUSTMENT

Before the session, conceal the props inside separate eggs. Hide the eggs around the room. Leave one egg empty. Challenge one kid to find and collect all the eggs. Gather the findings and open the eggs one at a time in front of the group. Guide kids to discuss what they think the items inside each egg might have to do with today's Bible story. Refer to the "Story Eggs" printable for explanations.
