

PRESCHOOL LEADER GUIDE

SOCIAL DISTANCING ACTIVITY ADJUSTMENTS

Unit 27 • Session 1

A Note for Leaders: Because each volume of *The Gospel Project for Preschool* is written several months in advance of its suggested use dates and is available for purchase for three years, the activities in the leader guides do not reflect the current social distancing guideline requirements of many preschool ministries. However, we want to do all we can to help you, especially in these challenging times, so we have provided activity adjustments as needed below. Please note that we cannot anticipate the various policies and needs of every ministry, so even these adaptations and replacements may need further revision for your context.

GO AND TELL ADJUSTMENT

Tip: If not wearing masks, invite preschoolers to speak through pool noodles for safe distancing. Sanitize or replace noodles between uses.

PLAY OUT THE BIBLE STORY ADJUSTMENT

Print a “Resurrection Scene” for each child and cut apart the figures. (Do not glue to cardboard tubes.) Encourage children to play out the Bible story using their scene on a table or floor while you review.

BUILD A GER ADJUSTMENT

Invite preschoolers to help you arrange chairs in a circle then drape lightweight tablecloths over the chairs to make a ger [gaihr]. Invite preschoolers to go inside the shelter one at a time.
