

PRESCHOOL LEADER GUIDE

SOCIAL DISTANCING ACTIVITY ADJUSTMENTS

Christmas

A Note for Leaders: Because each volume of *The Gospel Project for Preschool* is written several months in advance of its suggested use dates and is available for purchase for three years, the activities in the leader guides do not reflect the current social distancing guideline requirements of many preschool ministries. However, we want to do all we can to help you, especially in these challenging times, so we have provided activity adjustments as needed below. Please note that we cannot anticipate the various policies and needs of every ministry, so even these adaptations and replacements may need further revision for your context.

SET UP A MANGER SCENE

Tip: Provide enough manger scenes for every two children and spread pairs out around the room. If you do not have enough, print extra Bible story pictures, cut out the figures, and affix them to blocks or cardboard tubes.

PRACTICE THE KEY PASSAGE

Tip: Invite children to open a gift and match their blocks to the key passage poster one at a time.

GO ON AN ORNAMENT WALK

Tip: Space out the circles 6-feet apart.

CARE FOR BABIES

Tip: Allow only two children at a time to use each set of supplies. Clean the supplies between uses.
