

PRESCHOOL LEADER GUIDE

SOCIAL DISTANCING ACTIVITY ADJUSTMENTS

Unit 30 • Session 1

A Note for Leaders: Because each volume of *The Gospel Project for Preschool* is written several months in advance of its suggested use dates and is available for purchase for three years, the activities in the leader guides do not reflect the current social distancing guideline requirements of many preschool ministries. However, we want to do all we can to help you, especially in these challenging times, so we have provided activity adjustments as needed below. Please note that we cannot anticipate the various policies and needs of every ministry, so even these adaptations and replacements may need further revision for your context.

PLAY IN SAND

Tip: Fill a small, shallow bin of sand for each child and provide just a couple transportation toys. Or allow only two preschoolers at each sand tub and clean or replace transportation toys between pairs.

MAKE A BIBLE SCROLL ADJUSTMENT

Print the story point on a piece of paper for each child. Encourage children to decorate their paper with pictures of Jesus from Bible story picture posters from past sessions, stickers of crosses and hearts, and their names. When children are finished decorating, help them roll their papers up and tie them closed with ribbon. Option: Attach a dowel securely to each end of a child's paper before rolling it up.
