

Caldwell Family Photo

Caldwell Family

Eric (age 17): This was Eric's first mission trip to another country, though he had been on several mission trips in the U.S. He likes building, fixing things, and doing work that supports the group.

Olivia (age 21): She is the oldest child in the family. This was her fourth international mission trip. Olivia is planning to be an elementary school teacher, so she loves working with children.

Adam (age 19): Adam studied a lot of Spanish in high school, so he is a great translator and enjoys going to Spanish-speaking countries. He had a broken ankle when he went to Ecuador, but it didn't stop him from playing with the children!

Leslie (mom): Leslie was born in South Korea where her parents were missionaries. She loves traveling to new countries and teaching the Bible.

Ben (dad): Ben is a pastor, and he is very good at explaining the gospel and teaching people about Jesus and the Bible. But he also enjoys serving others on a mission trip.

Vika [VEE-kah] (age 19): Vika was adopted from Central Asia, so she has a special place in her heart for children in orphanages. She is very good at leading activities for children.

Ecuador has some very big churches, but many people still do not know Jesus as their Lord and Savior.

The Caldwells and their mission team visited the equator and learned about the history of Ecuador. The equator divides the top half of the earth from the bottom half.

Ecuador has beautiful mountains and hot water that comes out of the ground.
They make huge hot tubs from the water where people can soak.

Llamas are a very common animal in Ecuador. This llama is a pet at the For His Children home.

ALLERGY ALERT

Today we will be tasting/touching/smelling:

Please notify a leader if your child should not participate.
