- Yvette Aarons was born deaf.
- The first time she tried to be a missionary, people told her no because she was deaf.
- But soon they learned that she could be a missionary!
- Yvette was the first deaf missionary ever sent by the Foreign Mission Board.
- Yvette spent 26 years in other countries telling people who were deaf about Jesus.
- Yvette said that her deafness helped her as a missionary because she had something in common with other deaf people and could tell them about Jesus.
