NOTABLE FEATURES

Spiritual Disciplines

Each unit will focus on a spiritual discipline. When appropriate, these disciplines will be connected to the Bible story from the main Gospel Project for Kids content, but at other times, they will be taught from other Bible stories.

Discipleship Groups

Ideally, discipleship groups are formed with the same kids and leaders each week to build deeper relationships and trust with one another. Groups can meet in different spots in a large group environment, or if they meet in separate rooms, be sure to follow your church's security policies.

Make It Fit

Each midweek experience is designed to begin with large group for the Welcome, Learn, and Love, followed by forming discipleship groups for Live. However, small groups can also be used for the Welcome and Love sections if desired.

QUICK REFERENCE

Suggested Times
