NOTABLE FEATURES

Suggested Times

Each session is designed to be completed in 60–75 minutes but can be shortened or lengthened as needed.

Story Points

Each session will include a story point for preschoolers and kids that reinforces a key emphasis from the Bible story. Story points will provide a simple, memorable truth for preschoolers and kids to take away from teaching time.

Missions

The missions content is designed to help kids understand God's ongoing mission to rescue sinners around the world. This content can be customized or replaced with your church's own missions efforts if desired.

Big Picture Questions and Answers

Big picture questions and answers are designed to help preschoolers and kids learn important doctrines of the Christian faith. Each unit contains a big picture question and answer to help kids understand theological concepts organized around six overarching categories: God, people, Jesus, the Bible, the church, and the Christian life.

Make It Fit

Each session provides flexibility for customization based on the needs and structure of your kids ministry. The Learn portion contains most, or all, of the videos and music, making it ideal for a large group gathering with the Welcome, Love, and Live portions working well for small groups. Alternatively, the entire session can be completed in small groups or as one large group.
