

God, we are thankful that we don't have to do anything to make You love us.

**You love us because we are made in Your image.**

We belong to You God. You know that we are weak, but You are strong.

**You give us strength to do Your will.**

Use us this week to honor You and serve people around us. Forgive us for the times we have not stopped to help those in need.

**Bring us into Your presence, and help us love You more. Amen.**
