

God, we know that You are in control of  
all things, and You are good.

**We can rely on You and obey  
Your commands.**

You know what is best, and we trust that when we  
follow You, we can live, think, act, and speak in  
ways that honor You.

**Forgive us for turning away from  
You when we go our own way rather  
than letting You lead us.**

We want to be close to You by following Jesus.

**Thank You for loving us so much and for  
guiding us to live for You. Amen.**
