- 1. You didn't study for your spelling test, so you cheated off your friend who did study.**
- 2. You broke a picture frame in your house and you told the truth when your mom asked you about it.**
- 3. A friend at school said something bad about someone else, so you also said some unkind things about the kid.**
- 4. You spend many hours in a row playing video games even though you know there are chores you need to get done.**
- 5. Your sibling is driving you crazy so you go to another room so you won't react meanly to them.**
- 6. Your parents asked you to clean your room this weekend, so you do it on Friday afternoon, so you can enjoy the rest of the weekend.**
