the**GOSPEL**PROJECT.

They helped their grandma make dinner.

They pushed all the books from the shelf onto the floor.

They helped their dad carry in groceries.

They jumped on the bed after mom tidied it up.

They got ready for bed without fussing.

They helped a friend pick up crayons.

They hid their sister's favorite toy and wouldn't give it back.

They refused to share their ball with their brother.

They put all the toy blocks into the basket at cleanup time.

They helped their mother gather dirty laundry.
