

New PowerLuber tool-only option

This product is available for sale in North America and will be stocked in St. Louis, Mo.

SKF is pleased to announce that four of its popular SKF Lincoln PowerLuber grease guns are now available in a tool-only option. These new configurations can save customers money when buying a replacement or an additional grease gun to increase productivity.

Customers can purchase these cordless grease gun models to work with the battery and charger corresponding to the tool that they already have. Each of these field-proven, high-pressure grease guns has a 100-day satisfaction guarantee. In addition, the Lithium-Ion PowerLubers feature a five-year tool warranty. The standard one-year warranty continues to be honored on the NiCd models.

SKF Lincoln PowerLuber advantages:

- Operating pressures up to 10,000 psi
- Ergonomically designed and balanced for operator comfort
- Durability and reliability
