1 Introduction

Logic PD is announcing the discontinuance of the 6.4" VGA Display Kit. This End of Life (EOL) notification serves as notice for last time buy and last time ship dates. This discontinuance affects the model configurations noted below and is effective **August 13, 2012**.

Discontinued Model Numbers
LCD-6.4-VGA-10R

2 Migration Overview

There is currently no suggested replacement for the 6.4" VGA Display Kit. Please check [Logic PD's website](#)¹ for the latest display kit offerings.

If a suitable display is not found, Logic PD offers several application notes that assist customers with the process of integrating a custom display with a Logic PD development kit. See the following documents for additional information:

- [LCD Integration with DM3730 Development Kits Application Note](#)²
- [LVDS Display Integration with the AM3517, OMAP35x, and DM3730 Development Kits Application Note](#)³
- [Interfacing LCDs to Logic PD's Development Kit Baseboards Application Note](#)⁴

Logic PD also offers [support packages](#)⁵ and [Design Service contracts](#)⁶ if additional integration assistance is required.

3 Last Time Buy Date

Due to the unavailability of key components, there will be no last time buy opportunity for the 6.4" VGA Display Kit.
