Published: May 2009

This document contains valuable proprietary and confidential information and the attached file contains source code, ideas, and techniques that are owned by Logic Product Development Company (collectively "Logic's Proprietary Information"). Logic's Proprietary Information may not be used by or disclosed to any third party except under written license from Logic Product Development Company.

Logic Product Development Company makes no representation or warranties of any nature or kind regarding Logic's Proprietary Information or any products offered by Logic Product Development Company. Logic's Proprietary Information is disclosed herein pursuant and subject to the terms and conditions of a duly executed license or agreement to purchase or lease equipment. The only warranties made by Logic Product Development Company, if any, with respect to any products described in this document are set forth in such license or agreement. Logic Product Development Company shall have no liability of any kind, express or implied, arising out of the use of the Information in this document, including direct, indirect, special or consequential damages.

Logic Product Development Company may have patents, patent applications, trademarks, copyrights, trade secrets, or other intellectual property rights pertaining to Logic's Proprietary Information and products described in this document (collectively "Logic's Intellectual Property"). Except as expressly provided in any written license or agreement from Logic Product Development Company, this document and the information contained therein does not create any license to Logic's Intellectual Property.

The Information contained herein is subject to change without notice. Revisions may be issued regarding changes and/or additions.

REVISION HISTORY

REV	EDITOR	DESCRIPTION	APPROVAL	DATE
A	JCA	Initial release	KTL	05/13/09

1 Introduction

Logic is announcing the discontinuance of the Zoom™ OMAP34x Mobile Development Kit (MDK). This discontinuance affects all model configurations of the Zoom OMAP34x MDK and is effective 13 May 2009.

Affected Model Numbers
LPD3430-VG1.0.0
LPD3430-VG1.1.0

2 Migration Route

Logic recommends that customers interested in the Zoom OMAP34x MDK order the new Zoom OMAP34x-II Mobile Development Platform (MDP) as a suitable alternative. Information on the Zoom OMAP34x-II MDP can be found on Logic's website:

www.logicpd.com/products/development-kits/texas-instruments-zoom™-omap34x-ii-mdp
