## 1 Introduction

Logic PD is announcing the discontinuance of the Zoom™ OMAP35x Torpedo™ Development Kit. This End of Life (EOL) notification serves as notice for dates of last time buy and last time ship opportunities. This discontinuance affects the following model configuration of the Zoom™ OMAP35x Torpedo™ Development Kit:

Discontinued Model Number
SDK-OMAP3530-20-128256R

**Important Note:** This discontinuance does not affect the OMAP35x Torpedo SOM modules.

## 2 Last Time Buy Date

Due to the unavailability of some key components, no new distributor stock replenishment orders will be accepted for the Zoom™ OMAP35x Torpedo™ Development Kit.

## 3 Last Time Ship Date

As of the date of this notice, there may be some kits remaining in distribution inventory. These kits will be available for shipment until that final inventory is depleted.

## 4 Migration Overview

Logic PD recommends that new product development should be migrated to the DM3730 Torpedo™ SOM platform. This SOM platform is supported by the Zoom™ DM3730 Torpedo™ Development Kit.
