# Knife Eating Trick

## Instructions

### You will need:

- A knife
- A salt shaker

### A few tips before you start:

The Knife eating trick is a great trick to perform at a restaurant or at a dinner party. The knife eating trick is all about your timing, and the body language you use to attract attention to yourself.

### Step 1:

All the steps are explained on the video. [Click here to see the video of the Knife eating trick.](#)

**TIP:** Have a serviette or a napkin on our lap - this helps to catch the knife when you drop it and stops it from slipping off your lap.

### Well done !

You have learned how to do the knife eating trick!  
Make a name for your self with this comical routine.
