

Attracting Buyers (Local Businesses)... They come to you

- Email
- Send details via post
- Leaflet drop. (Shops, car park supermarkets, business premises, industrial estates)
- Local shop advertising.
- Visiting the shops / businesses personally that you feel can benefit from your services.
- Make a web page explaining that you can make their business a video which will save them money in advertising costs, can be added to their website, YouTube channel.
- Include options, prices, payment links, benefits, demos and your phone number & email address
