

DR. RAJ SHAH

FACT SHEET

Graduated with honors in 1993 with a B.S. in Physics from The Ohio State University.

Graduated from University of Illinois with a M.S. in Physics in 1994 and a Ph.D. in Physics in 1999.

While attending University of Illinois, Shah received several student teaching awards for teaching physics to undergraduates.

Worked 9 years as a Research Scientist and Quality & Reliability Manager for Intel Corporation in Hillsboro, Oregon.

During his time with Intel, Dr. Shah realized he was hiring several Ph.D. level candidates, all of whom were from India or China, and seeing how the U.S. is failing to develop the most talented scientists and engineers.

In 2008, Dr. Shah quit his job as an R&D Manager at Intel Corporation to pursue his passion of getting kids excited about math and teaching them to THINK rather than just memorize.

For the past three years, Dr. Shah has been building a program that develops the talents of students of all levels at Math Plus Academy.

Currently Dr. Shah writes blogs and lectures for the proactive parent and schools.
