

COMMUNITY OUTREACH

MATH PLUS ACADEMY OFFERS SEVERAL PROGRAMS FOR PARENTS, SCHOOLS, TEACHERS, ORGANIZATIONS AND BUSINESSES THROUGHOUT CENTRAL OHIO. WE STRIVE TO WORK WITH THE COMMUNITY TO INSPIRE KIDS TO DO GREAT THINGS. OUR PROGRAMS AND ACTIVITIES ARE SUPPORTED BY THE OHIO ACADEMIC CONTENT STANDARDS FOR MATH AND HAVE RECEIVED RAVE REVIEWS FROM TEACHERS, PARENTS AND KIDS!

- **"I LOVE MATH" ASSEMBLY**

Math Plus Academy brings an amazing, interactive, math enrichment, day long, assembly appropriate for K-5th grade. The assembly is perfect for up to 600 students and features six to eight stations for exploration. "I Love Math" is guaranteed to get your students re-energized about math and problem solving.

- **MATH NIGHT**

Math Night brings an amazing, interactive, math enrichment program appropriate for K-5th grade. This program is half the time of the "I Love Math" Assembly but offers the same features with six to eight stations for students to explore. Math Night is guaranteed to get your students re-energized about math and problem solving.

- **ENRICHMENT DAY**

We provide a teacher and fun, enriched, math lessons and activities for your school's enrichment day or mini-course night.

- **SEMINARS FOR PARENTS**

Looking for a speaker to help parents with math education at home? Most parents struggle to help their kids because they have limited tools and could have been taught math differently. Our seminars give parents the tools and teaching to help their kids and make math fun at home.

- **FIELD TRIPS**

You are invited to come to Math Plus Academy and see how much fun math can be. This option is perfect for Girl and Cub Scouts and we offer Math Badges!
