

“The Truth About Fairness!”

Mike Johnson

Can God be good if life is not always fair?

1. Is it fair when bad things happen to “good” people (or do bad things only happen to bad people)?

Luke 13:1-3

2. Is it fair when there is no way to guarantee you and your loved ones physical safety?

Luke 13:4-5

3. Is it fair that religious people sometimes look good and sound good, but there really is no good fruit?

Luke 13:6-9

Matthew 7:15-28

So What... Before you meet God, get right with God!
