

4. How did Jesus turn the conversation to a more important subject? (*John 4:10*)

How can we turn our conversations to our relationship with the Lord?

5. How would you describe the woman's response and Jesus reply to her in *John 4:11-14*?

6. In *John 4:13-18*, Jesus brings up her problem which is a problem everyone has.
What is it? *Roman 3:23*

What did Jesus want her to really understand about Himself?
John 4:25,26

7. How is the Samaritan an example of being a person who reached out to her Oikos from *John 4:39-42*?

Did she have all the answers or simply know the One who is the Answer?!

How should that encourage us?

Taking it Home

This week let's focus on praying for people in our Oikos.
Have each one share someone local they are praying for and desiring to be a good witness to for Christ.

What was your take-away from Sunday?

(A particular point, challenge, encouragement or question)

Getting Connected

A possible opening question to start your group-
What first brought you to Grace Hills?

What do you appreciate most here?

Why have you stayed?

Going Further– Growing in Christ

1. Last week to work on the memory verse together.

Titus 2:13- (NASB) “looking for the blessed hope and the appearing of the glory of our great God and Savior, Christ Jesus”

This week pray for Ironwood Christian Camp as they reach children, youth, adults and families with their camping ministry. Extra credit if you share something from PT with God.

2. As we have a vision to what God wants to do through us individually and as a church, explain the importance of having a why, a what, and a how.

Which verses did you find particularly helpful for you from Sunday? (Try to reread them this week)

3. Let's look at Jesus meeting someone and starting an Oikos relationship. In reading *John 4:1-9*, what did Jesus simply do in getting to know the woman at the well?

Why is this sometimes hard for us to do?
