

Instructions for the Teacher:

- 1) Print out one book jacket (summary/title) for each student.
- 2) Print out as many inner pages as you need. Print on both sides of the page for best results.
- 3) Instruct each child to make a book, illustrating the story at the top of each page and writing the story at the bottom.
- 4) Have the students color the cover and choose a title.
- 5) The students can write a summary on the back.
- 6) Stack the book, fold in half, and staple along the spine.
