

Multiplication by 2's

How many popsicles are below? Count each one, writing the number on the line above the popsicle.

Each popsicle has 2 sticks. Skip count by two, writing the number on the line below each popsicle as you count.

Use the popsicles to complete the problems below.

$2 \times 2 = \underline{\quad}$	$5 \times 2 = \underline{\quad}$	$6 \times 2 = \underline{\quad}$	$3 \times 2 = \underline{\quad}$	$9 \times 2 = \underline{\quad}$	$11 \times 2 = \underline{\quad}$
$1 \times 2 = \underline{\quad}$	$7 \times 2 = \underline{\quad}$	$10 \times 2 = \underline{\quad}$	$12 \times 2 = \underline{\quad}$	$4 \times 2 = \underline{\quad}$	$8 \times 2 = \underline{\quad}$
