

# Multiplication by 1's

How many cupcakes are below? Count each one, writing the number on the line above the cupcake.

Each cupcake has 1 candle. Skip count by one, writing the number on the line below each cupcake as you count.

Use the cupcakes to complete the problems below.

$2 \times 1 = \underline{\quad}$	$5 \times 1 = \underline{\quad}$	$6 \times 1 = \underline{\quad}$	$3 \times 1 = \underline{\quad}$	$9 \times 1 = \underline{\quad}$	$11 \times 1 = \underline{\quad}$
$1 \times 1 = \underline{\quad}$	$7 \times 1 = \underline{\quad}$	$10 \times 1 = \underline{\quad}$	$12 \times 1 = \underline{\quad}$	$4 \times 1 = \underline{\quad}$	$8 \times 1 = \underline{\quad}$
