

Multiplication by 8's

How many mushrooms are below? Count each one, writing the number on the line above the mushroom.

Each mushroom has 8 spots. Skip count by eight, writing the number on the line below each mushroom as you count.

Use the mushrooms to complete the problems below.

$6 \times 8 = \underline{\quad}$	$12 \times 8 = \underline{\quad}$	$8 \times 8 = \underline{\quad}$	$9 \times 8 = \underline{\quad}$	$1 \times 8 = \underline{\quad}$	$7 \times 8 = \underline{\quad}$
$2 \times 8 = \underline{\quad}$	$10 \times 8 = \underline{\quad}$	$5 \times 8 = \underline{\quad}$	$11 \times 8 = \underline{\quad}$	$3 \times 8 = \underline{\quad}$	$4 \times 8 = \underline{\quad}$
