

My love for
you cannot
be deleted.

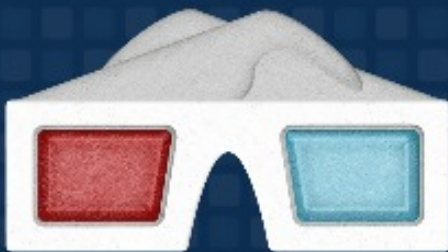

Will you be
my Valentine?

I can't take my
eyes off of you.

Happy Valentine's Day!

You are my favorite
companion.

Will you be mine,
Valentine?

You make my
heart go

WHOO!
WHEE!
WHOO!

Will you be mine,
Valentine?

Both of my hearts
beat for you alone.

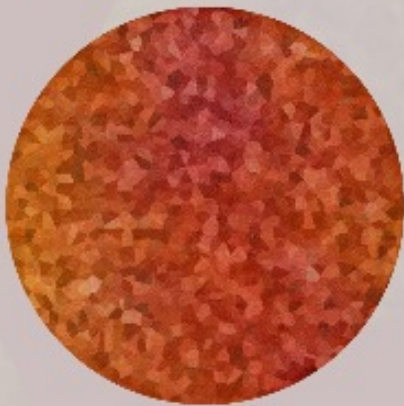

Happy Valentine's Day!

I would
burn up a
star just to
say...

Happy
Valentine's
Day!

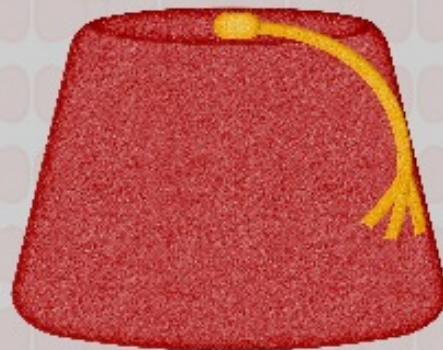

I love you
to Gallifrey and back.

Be my companion?

You are loved by so
many and so much

and by no one more
than me.
