Check out the really cool bonuses you will get!

-----EMAIL COPY-----

Hi (insert first name),

The post-launch period has come to an end for our HD Video Training.

Now we would like to talk about the bonuses you will receive:

Audio Files

I know you would love to get access to the Audio Version of the Video Training, so you can listen to them if you prefer. You could easily listen to it while driving in your car, while walking in the park, or on trips.

You might not have access to a computer while doing these activities, but it's a lot easier to have a mobile device able to play those audios for you.

Video Scripts

You will even get access to the voice-over scripts of the complete video training so you may use them however you want. Maybe you would love to read the material instead of listening or watching the videos.

A very productive way to learn something is by reading it, making notes on any principal idea that catches your attention or reading it repeatedly just in case you don't understand any new concept

Sincerely,
Your Name

P.S. Because the launch has passed and we now need to take care of our existing clients and customers, we might remove this offer today. Act now!
