Merillat Industries may elect to repair or replace any defective Merillat product covered by our warranty. Our warranty does not cover defects caused by misuse, abuse, negligence, alterations, environmental conditions, improper installation, storage and handling; nor any labor expenses.

From time to time, we will change design, specifications and materials as conditions require and improvements are developed, but we have no obligation to incorporate such changes in products we previously manufactured.

This warranty is in lieu of any and all other warranties, express or implied, including any warranties of merchantability and of fitness for a particular purpose; and excludes any incidental or consequential damages. No representative has the authority to change or enlarge the above warranty.

This warranty is only valid in the United States of America. Some states do not allow limitations on how long an implied warranty lasts or the exclusion of incidental or consequential damages, so the above limitations or exclusion may not apply. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

To obtain performance under this warranty, the purchaser must contact the Merillat supplier and report, in writing, all defects claimed. If you have difficulty obtaining assistance, write to: Warranty Department, Merillat Industries, Inc. P.O. Box 1946, Adrian, MI 49221.

THE BEAUTY OF NATURAL WOOD

The natural hardwoods we've used in our product have characteristics that make every cabinet both beautiful and unique. All hardwoods have their own personality, and variation in color, texture, and grain pattern are an inherent part of this natural material.

Natural hardwood variations often include distinctive grain patterns or unusual shadings in color. These reflect the "life history" of the tree and contribute to the unique look of your cabinets.

As with other natural materials, your hardwood cabinets will be affected by environmental factors such as natural and artificial lighting, so you can expect to see the color gradually change and mellow over time.

Your satisfaction is important to us, and we want you to feel as good about buying our cabinets as we do about making them. Be assured only the best materials go into our natural hardwood cabinetry, including those hardwoods that may be considered unique. Because, at Merillat, we believe natural distinctive hardwoods are beautiful.

Due to the unique qualities inherent in the natural hardwoods used in this cabinetry, neither Merillat Industries, Inc., nor your dealer, can be responsible for the actual degree of variation that may characterize your cabinetry purchase.
