WORLD AREA CODES

This document contains the numeric "World Area Codes" used to identify geopolitical areas such as countries, states (U.S.), provinces (Canada), and territories or possessions of certain countries. The codes are used within the various data banks maintained by the Office of Airline Information (OAI). This document will be updated and reissued on a yearly basis unless no changes occur. DOT users may access ROSCOE member "LL.WAC" to display any interim changes.

For further information, or to request that your name be added to the distribution list, contact Vicki Bradford, Room 4125, telephone: 202-366-4393.
