SUBJECT: Justification Memorandum - Records Related to Isaiah Nixon, Sr. and Dover Carter

In accordance with section 3(f)(A)(ii)(aa) of the Civil Rights Cold Case Records Collection Act of 2018, NARA will attach justification memoranda to the administrative records for the accession that includes 144-19-82.

On August 23, 2024, the National Archives and Records Administration (NARA) transmitted the following records to the Civil Rights Cold Case Records Review Board and staff:

- 72-178\_NARA\_Released.pdf
- 144-19-82\_NARA\_Redacted.pdf

NARA recommended that one page, located in 144-19-82, be redacted in part. The postponement protects personal privacy under section 4(3) of the Civil Rights Cold Case Records Collection Act of 2018 - *disclosure would “constitute an unwarranted invasion of personal privacy.”*

The Civil Rights Cold Case Records Review Board communicated its concurrence of the recommended postponement to Dr. Shogan, Archivist of the United States, on October 30, 2024.

These records were transmitted to the President on December 9, 2024.

The records are scheduled to be accessioned by the National Archives and Records Administration in January 2025 into Record Group 612: Civil Rights Cold Case Records Collection.
