Office of the Secretary & Press Correspondent, *of last year.*

Peabody, Mass.,

May 1 1917

*Hon. Edwin R. Webb,
 Chairman Judiciary Com.,
 U. S. House of Representatives:*

Dear Sir,

It seems to me right to ask you to help the cause of Woman Suffrage just now at this session of Congress by an immediate and favorable report on the Federal Suffrage Amendment Bill. My father trained me in my childhood days to expect this right. I have given my help to the agitation and work for its coming a good many years. It seems as if the time was come for this great act of justice and that this Congress doing most needed things for the whole world ought not to overlook the appeal of the women of our land.

Yours most sincerely,

Mary O. Stevens.
