Barbara:

Let's talk again in the fall.

Hopefully we can work out something.

Dorrance Smith is here to help with
the battles, so keep the faith.

Dear Marlin,

Thank you for your phone call. As a matter of fact, what we think would be best, if we do get the interview with the President, is to do it in the early fall or winter. We have an even bigger audience then. So, any time from September until the first of the year would be great, providing the President is not doing any major television interviews before ours.

With warmest personal regards,
