MEMORANDUM FOR C. BOYDEN GRAY

FROM: D. ALLAN BROMLEY *Alan*
SUBJECT: OSTP ASSOCIATE DIRECTORSHIP FOR
THE LIFE SCIENCES

Again, at Chase Untermeyer's suggestion, I am writing to request that an announcement of the President's intent to nominate Donald A. Henderson as the OSTP Associate Director for Life Sciences be made as soon as possible.

A number of open issues were left when Jim Wyngaarden resigned July 1 to accept the Foreign Secretaryship of the National Academy of Sciences and I would want to bring Henderson on as a consultant to pick them up as soon as possible prior to confirmation.

The announcement would again eliminate confusion and speculation.

Your help will be much appreciated.
