MEMORANDUM FOR DANIEL NATHANS  
MEMBER, PRESIDENT'S COUNCIL OF ADVISORS ON SCIENCE  
AND TECHNOLOGY

FROM: C. BOYDEN GRAY *CBG*  
COUNSEL TO THE PRESIDENT

SUBJECT: Conflict-of-Interest Standards

Congratulations on your appointment to serve as a member of the President's Council of Science and Technology Advisors.

Attached for your records is a copy of the conflict-of-interest waiver that I have signed at Dr. Bromley's request. The waiver certifies that the government's need for your services outweighs certain aspects of the conflict-of-interest that may otherwise exist by virtue of your employment and other financial interests. This determination has the effect of a partial exemption from the restrictions imposed by 18 U.S.C. 208, the general financial conflict-of-interest statute. Please note that you are still required to recuse yourself should any matter arise that would directly and predictably affect any of your financial interests in a unique manner -- as opposed to matters having a broad effect across an industry.

A general memorandum describing federal conflict-of-interest laws is attached for your reference. Additional advice on ethics matters is available to you from Michelle Van Cleave, Counsel and Designated Agency Ethics Official for the Office of Science and Technology Policy.

MEMORANDUM FOR AMY L. SCHWARTZ  
ASSOCIATE COUNSEL TO THE PRESIDENT

FROM: *F. Gary Davis*  
F. GARY DAVIS  
GENERAL COUNSEL  
OFFICE OF GOVERNMENT ETHICS

SUBJECT: Waivers under 18 U.S.C. §208(b)(3) for  
Members of PCAST

I have reviewed the revised proposed waivers under 18 U.S.C. §208(b)(3) for members of the President's Council of Advisors on Science and Technology (PCAST), which you forwarded to us on February 2, 1990.

As we discussed, the enhanced justifications therein detail the uniqueness of these individuals' qualifications. This information further supports your position that the need for their services outweighs any potential conflict.

Therefore, I reiterate my previous advice of January 31, 1990, that it would not be an abuse of discretion for the Counsel to the President to grant these proposed waivers.

MEMORANDUM FOR GARY DAVIS  
CHIEF COUNSEL, OFFICE OF GOVERNMENT ETHICS

FROM: AMY L. SCHWARTZ *MS*  
ASSOCIATE COUNSEL TO THE PRESIDENT

SUBJECT: Waivers for PCAST Members

Attached are the proposed 208(b)(3) waivers for the members of the President's Council of Advisors on Science and Technology (including a hard copy of the sample one I faxed you earlier). As you suggested, I am exploring whether the justification section of the waivers can be strengthened.

Because the PCAST members are scheduled to convene at the end of this week, I would very much appreciate getting any additional comments you may have on these drafts by the end of the day.

In turn, I will try to provide you with the enhanced justification sections for review as soon as possible.

Many thanks.

MEMORANDUM FOR GOVERNOR JOHN H. SUNUNU  
CHIEF OF STAFF

FROM: C. BOYDEN GRAY  
COUNSEL TO THE PRESIDENT

SUBJECT: Conflict-of-Interest Waivers for PCAST

I wanted to alert you to the fact that I will be signing conflict-of-interest waivers this week for the members of the President's Council of Advisors on Science and Technology. The waivers will use a new authority created in November's Ethics Reform Act of 1989, allowing the appointing official to grant a waiver to a member of an advisory committee when the "need for the individual's services outweighs the potential for conflict of interest." The Administration proposed this new authority based on the Ethics Commission recommendations. (The Counsel to the President has the delegated authority to grant waivers for members of advisory committees created by executive order.)

My staff will be working with OSTP this week on finalizing the waivers (per comments from the Office of Government Ethics) so that they will be signed in time for PCAST to meet on Saturday.

Please let me know if you have any questions.

SUBJECT: Waivers for the PCAST Members

Per our conversation earlier in the week, attached are revised waiver requests for the PCAST members. We need to have them signed today in order for PCAST to be able to meet tomorrow. I think the revised drafts should resolve the issues we discussed.

Please let me (456-2674) or Ben Dean (456-2711) know what you think.

Many thanks.

MEMORANDUM FOR AMY L. SCHWARTZ  
ASSOCIATE COUNSEL, TO THE PRESIDENT

FROM: *F. Gary Davis*  
F. GARY DAVIS  
GENERAL COUNSEL  
OFFICE OF GOVERNMENT ETHICS

SUBJECT: Waivers under 18 U.S.C. §208(b)(3) for  
Members of PCAST

Pursuant to the consultation requirement of Section 301(d) of Executive Order 12674, you have forwarded to us proposed waivers under 18 U.S.C. §208(b)(3) for members of the President's Council of Advisors on Science and Technology (PCAST).

Section 208(b)(3) permits the official responsible for appointment of a special government employee to an advisory committee to certify in writing, after reviewing an individual's financial disclosure report, that the need for the individual's services outweighs the potential for a conflict of interest under 18 U.S.C. §208 which might be created by that individual's financial interests.

We have reviewed proposed waivers which you have forwarded for the following individuals:

Thomas E. Lovejoy  
Solomon J. Buchsbaum  
Bernadine P. Healy  
David Packard  
Walter T. Massey  
Charles L. Drake  
Peter Likins  
John P. McTague  
Daniel Nathans  
Harold T. Shapiro  
Ralph E. Gomory

As I suggested to you in our phone conversation on this subject, we conclude that it would not be an abuse of discretion for the Counsel to the President, as the appointing official's

delegate, to grant these proposed waivers. The appointees' qualifications and financial interests have been detailed in each proposed waiver. While some of the appointees have substantial financial interests which might not be appropriate for waiver under other authority such as §208(b)(1), the standard for granting §208(b)(3) waivers is that the need for their services outweighs the potential for conflict.

To test against that standard, the proposed waivers indicate that the functions of the PCAST are to advise the President on matters of science and technology, to conduct a continuing review and assessment of developments in the field, and to report thereon to the President. We understand that the PCAST will not be called upon to determine any particular controversies in which the legal rights of specific parties are at stake, nor to deliberate on measures that would be targeted to specific companies or industry segments, though if such instances did arise, the members would recuse themselves from participation, despite a §208(b)(3) waiver. Given this limited nature of the members' responsibilities, as well as their outstanding qualifications, it appears that a decision to grant the proposed waivers would be fully supported by the facts.

Pursuant to my request, you have agreed to provide us with copies of enhanced justifications for some or all of the appointees, in order to further detail the uniqueness of their qualifications, which would lend additional support to your position that the need for their services outweighs any potential conflict. You should also provide us with copies of the actual waiver grants, with the granting official's signature or initials, as required by Section 301(d) of Executive Order 12674.
