August 28, 1992

Dear Dr. Christopher:

Thank you for your letter of August 20 informing me that I have been selected to receive the 1992 Distinguished Public Service Award of the American Academy of Physical Medicine and Rehabilitation. I feel deeply honored even to be considered for such recognition, and I accept with pleasure. Members of the Academy worked long and hard to create the National Center for Medical Rehabilitation Research at the National Institutes of Health. I feel confident that the results will repay the investment many times over and am flattered to think that my efforts might have helped.

I will await contact from Mr. Henrichs regarding the award presentation and look forward to joining you and your colleagues in San Francisco in November during your annual convention.

Sincerely yours,

William F. Raub, Ph.D.  
Special Assistant for Health Affairs
