MEMORANDUM FOR KATHERINE L. SUPER

FROM: D. ALLAN BROMLEY

Alan

SUBJECT: POLYTECHNIC UNIVERSITY REQUEST

The attached letter to the President from George Bugliarello, the President of the Polytechnic University of New York, is self-explanatory and I realize that you will not be scheduling for May until much closer to the actual event.

I have had an opportunity to see this Metrotech development in New York and I believe that its dedication would provide an excellent opportunity for the President to make a major address relating to science and technology, and to its role in revitalizing urban economies.

I will be happy to provide any additional information that I might have that would be useful to you in considering this request. If at all possible I would urge you to try to include it among the major talks scheduled for the President during this coming summer.
