MEMORANDUM FOR JOHN H. SUNUNU

FROM: D. ALLAN BROMLEY *DA*

SUBJECT: Mexican S&T Bilateral

Enclosed herewith is a copy of my earlier memorandum on this matter, as requested. Unfortunately, it was overtaken by the Salinas visit, but I remain convinced that it is a good idea, subject to the criteria outlined.

It also highlights the importance of OSTP getting into the loop early enough with respect to such visits -- where science and technology matters may be involved -- so that we can do the necessary staff work so that the President can be adequately briefed -- or protected from surprises.
