OFFICE OF THE VICE PRESIDENT

WASHINGTON

DATE: September 16, 1992

TO: Dr. Bromley

FROM: Karl Jackson *KJS*
Assistant to the Vice President for
National Security Affairs

This is a much delayed letter that finally worked its way through the system. I believe it's more appropriately addressed in your area. Would you please take a look at it and let me know your recommendation.

Don R. Comments? Data

EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF SCIENCE AND TECHNOLOGY POLICY
WASHINGTON, D.C. 20506

Allan Bromley -

- ① Dorothy is probably right about not being first by 2000. But does that mean we should aim to be #1?
- ② She is just wrong in saying there needs to be a massive infusion of federal funds to bring about change. Some targeted federal funding (teacher training, standards, evaluation) is needed, but the education establishment in total is adequately funded.

THE WHITE HOUSE

June 22 '92

Dear Boyden:

Thought you might find this of interest. Got it from Saltykov as a preface copy; he says that about how it should be enacted into Russian law.
