DATE: 1 29 89

FROM THE PRESIDENT

TO: John Sununu

Billy Graham told me today, having passed this message to ~~me~~ ^{Susie} last week, that Doug Weed told Billy: "The President asked me to ask you to introduce him at the Relig. Broadcasters.

Bill, close friend that he is, felt funny that the invite had come in like this - in fact Weed had never mentioned this to me.

I told Billy: a. I will see that people don't invoke my name... b. I would love to have you introduce me at that meeting.

He will introduce me and he is sending over to Patty some material that he thinks might be helpful.

We used to write a lot of RR's prayer breakfast speeches and offered to help me on this as well.....

Maybe a gentle word to well intentioned Doug Weed would be in order.....

Alls well, though!!!

Dear President Bush,

THE PRESIDENT HAS SEEN

It is with tremendous pride that I write this letter to you.

First let me thank you for your delightful note at Christmas. We are all awaiting the birth of Millie's pups - especially Bandit.

Today, watching Mrs. Bush and you as you were sworn in, I felt so hopeful that the "Best of the 60's" could return to our nation. "The Kinder, Gentler nation" excites me. Then, as if an omen, your 'parade surprise' - Les Radeau and your W.W.II bomber appeared on the screen. I felt as if I would burst. I saw Les in the turret and knew with all my heart that my uncle Jack was right there saluting you and saying he was behind all your efforts toward peace. Having met many of the men on the float in October in Charleston, S.C. made the float so much fun to see.

I hope only the best for you and
your wonderful family. If Ryan, Jim,
Michelle or I can be of help to you
in any way we would be so pleased
to do so.

Take care of yourself,
Terry Cassidy

Dear Jack,

That was a very moving letter you wrote the San Jac group. So darned thoughtful and true. I loved seeing you and the others go

by on that float - the
highlight for me.

I'll thank those 3 ladies who helped, too.
Love to Bea. Thanks,
pal -

Mr. Don Rhodes
Office of the President
of the United States
The White House
Washington, D.C.

Dear Don:

Enclosed is a copy of a letter being sent to VF-51 and VT-51 personnel attending the inauguration ceremonies. If you think President Bush (it has a nice sound to it, doesn't it?) would like to see it, just pass it on to him.

You'll never know how much I appreciate your help in making our week so enjoyable. Your unique position, I'm sure, caused several potential problems to vanish. Very simply, thanks.

Also, your coming to our dinner on Wednesday at the Powerscourt restaurant helped make it very successful.

I don't know what you can do to help secure jobs for the three ladies who were very instrumental in making our squadron feel comfortable, but I suggested they submit their resume' through you. I hope you don't mind my doing this but I think they are most deserving. They are; Kittie Bauer, our parade coordinator, Lauren Childress and Jan Greer, our public liaison coordinators. All of our Air Group 51 people were very impressed with their efforts.

Cordially,

Jack O. Guy

Dear

What a fantastic week!!! Being with you guys and gals made it extraordinary. Seeing George and Barbara at the Blair House on Wednesday was the frosting on the cake. Our dinner party at Powerscourt turned out to be just the ingredient we needed to put us all 'together' again!! The entertainment at the "Gala" was outstanding.

I'm sure we all agree that President Bush's speech at the inauguration was a powerful statement of what he is all about. There is no doubt in my mind that he will be one of our greatest Presidents. After all, look at the great start we gave him in Air Group 51 aboard the San Jac!!

The parade --- well, what can you say --- standing on that float with you guys was one of the proudest times of my life. I don't know what you were thinking, but my thoughts were about Dick Houle, Jim Wykes, Tom Waters, Ted White, Jack Delaney, Charlie Haggard, Bob Whales, Otis Ingram, Walter Mintus, Hy Atun, Paul Bensman -- all killed in action -- then, about Doug West, Howard Boren, Milt Moore -- all gone now but not ever forgotten -- then finally about Don Melvin -- I don't think we ever appreciated what a great leader he was -- our prayers go to him now as he fights a lingering illness that prevented him from being with us in Washington. I think our new Commander-in-Chief really appreciated and was surprised at seeing that big TBM Avenger with us dressed in flight gear, like we were ready for another mission, acting like 20 year olds again.

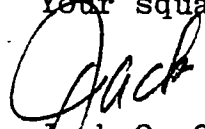

The inaugural ball could have been another highlight had it not been marred somewhat by the tremendous crush of people. I am glad that at least some of us got through that unfortunate situation to meet and toast our squadron mate, President George Herbert Walker Bush.

How could we ever have survived the week without the completely unselfish devotion of Don Rhodes, Lauren Childress, Jan Greer and our parade coordinator, Kittie Bauer. We owe them a deep debt of gratitude and wish them the best of everything in their pursuit of careers in whatever fields they choose.

Finally, thanks to all of you for being the kind of people you are. Your cooperation in being at the appointed place at the appointed time was most appreciated by the inaugural committee staff.

Now join me in wishing George and Barbara godspeed in their mission and let them know that our prayers will be with them these next eight years.

Your squadron mate,
