Perry Gentry
Executive Director

June 18, 1990

Dear Democratic Colleague:

This week's Democratic Message to the American people focuses our attention on the Bush administration's lack of leadership in cleaning up the S&L mess.

As Democrats, we share the growing concern of our working families about the ever-escalating amount of tax dollars the Administration estimates it needs to bail-out insolvent S&Ls. In the past several months, the President's top advisors have more than doubled the estimate they intend to apply to the bailout, and then cautioned that even these projections were soft. Yet rather than putting a stop to this hemorrhaging, the Bush administration is continuing to allow hundreds of failed savings and loans to remain open — further compounding the costs of the S&L bailout by billions of dollars.

It is the costs unseen that truly alarm and dismay America's working families. Our youngest working families are now confronting the first effects of this fiasco when they apply — and are denied — their first home mortgage. And our children will bear the brunt of the President's foot-dragging well into the next century. The schools that will go unbuilt, the bridges that will go unrepaired, and the educations that will go unfunded are the real toll of Bush mismanagement.

I have attached an excellent package on the S&L bailout, which includes S&L facts and Democratic talking points, prepared by DNC Research. I hope that it is helpful as you talk with your colleagues and constituents this week, and in the weeks ahead.

With warmest personal regards, I am

Sincerely yours,

STENY H. HOYER

MESSAGE BULLETIN

PRINTED ON RECYCLED PAPER

Talking Points on the S&L Issue

1. There is no need to pick over the bones of the S&L scandal--we know what happened. What we need to do is fix the S&L mess.
2. Bush is foot-dragging on the S&L cleanup and is already repeating the costly mistakes made by the Reagan Administration. The result is a doubling in taxpayer cleanup costs to \$500 billion -- in just 7 months.
3. Bush supports hiding the costs of the S&L bailout from taxpayers by keeping it "off-budget" and out-of-sight. Democrats, it must be remembered, supported "truth-in-budgeting" on the Bush bailout last year by margins of 181-67 in the House and by 47-6 in the Senate.
4. Public discontent with President Bush's mishandling of the S&L bailout is growing. The mid-February Harris Poll which gave President Bush a 70 percent approval rating also found that 60 percent of Americans disapproved of his plan to bailout the S&Ls.

Hey George, How Much Will It Cost?

Every time you look the other way, it seems like the Bush Administration is revising its projections on how much Bush's S&L bailout will cost U.S. taxpayers.

- o In August, 1989, Bush declared that it would cost taxpayers \$166 billion to make sure "these problems will never happen again." (Weekly Compilation of Presidential Documents, 8/89)

*5 star request
how much cost
in not doing*

In March, 1990, the Bush bailout squad quietly requested an additional \$100 billion in "working capital" from the U.S. Treasury to finance new S&L bailouts in 1990 (WSJ, 3/6/90).

- o In May, 1990, the Bush Administration admitted the bailout will cost over \$300 billion in the years ahead -- double the amount predicted by Bush just 7 months ago (WP, 5/24/90). That same month, the General Accounting Office estimates that the bailout will cost a little bit more -- between \$325 and \$500 billion.
- o On June 14, 1990, Administration officials warned that this latest estimate was as perishable as sour cream on a hot summer day. Treasury Secretary Nicholas Brady explained that the Administration was "in the midst" of calculating how much money the Administration would need. (NYT, 6/15/90)
- o Federal Reserve Chairman Greenspan put it another way: "the size of this hole is astronomical." (NYT, 6/15/90)
- o Bush's S&L black hole: just how much will it cost?

You Too Can Own an S&L

- o Desperate for working cash to bailout additional S&L's, the RTC is selling off control of S&L deposits at firesale prices -- to corporate raiders like Ronald Perelman.
- o On March 15, 1990, the Resolution Trust Corporation (RTC) actually gave North Carolina National Bank \$700,000 to take Bankers S&L of Galveston and its \$104 million in deposits off the agency's hands (RTC Releases).
- o Three other S&L's -- with \$154 million in deposits -- have been sold for the price of a new Buick Le Sabre automobile (RTC releases).
- o S&L buyers are being allowed to pick over the assets of acquired thrifts for months -- creamskimming the best assets and returning unwanted, worthless properties to the U.S. taxpayer.
- o Asset buyers are paying the U.S. taxpayer an average of 60 cents on the dollar for the properties they do want (Southern Finance Project).
- o And who are getting these "bargain basement" deals? People like corporate raider Ronald Perelman, who was recently awarded the \$2 billion San Antonio Savings Association for just \$10 million (RTC).

Isn't This Taking Kinder and Gentler A Bit Too Far?

U.S. taxpayers may be a bit surprised to find out that President Bush isn't just paying off insured deposit holders -- under the Bush bailout, everybody in line is getting paid off.

- Unless something is done, the Bush Administration is planning to pay off millions -- perhaps billions -- in uninsured S&L deposits and liabilities (RTC, Southern Finance Project).
- So far, the RTC has already paid out \$50 million to investors whose accounts were above the \$100,000 insured limit (RTC).
- And because the Reagan and Bush Administrations dragged their feet on closing down failing S&L's, U.S. taxpayers may be forced to pay off some \$26 billion in mortgage-backed bonds issued by S&L's during the late 1980s (Business Week, 4/23/90).
- Most of these bonds were issued by high-flying S&L's who had no business being in business -- but investors flocked to buy these high-interest bonds because they knew that the federal taxpayer would ultimately foot the bill.
- The added cost of President Bush's "generosity" to uninsured investors will be enormous -- driving up the cost of the bailout by as much as 33 percent.

1 Out of 21,000 Is Not a Good Batting Average

The Don Dixon indictment last week was a long overdue first step in bringing S&L thieves to justice.

Unfortunately, the Justice Department is still dragging its feet on more than 21,000 S&L fraud and embezzlement cases (Washington Post, 3/27/90).

Maybe this isn't surprising given that George Bush decided to spend only \$50 million of the \$75 million appropriated by Congress for the S&L crimes. Mr. President, what's the holdup?

One out of 21,000 is not an unacceptable batting average when it comes to recovering stolen taxpayer funds.

Don't Let History Repeat Itself: Close'em Down Now

Ignoring the lessons of the 1980s, the Bush Administration is allowing hundreds of failed S&L's to remain open -- compounding the costs of the S&L bailout by billions of dollars.

700 More Failing S&Ls: Are They Being Ignored?

In May 23 testimony to Congress, Treasury Secretary Nicholas Brady understated the true size of the S&L problem, saying that at most 1,000 thrifts will have to close down.

By contrast, the non-partisan Congressional Budget Office predicts that as many as 700 additional thrifts will need to be shut down -- at an additional cost to taxpayers of up to \$100 billion (NYT, 6/14/90).

The Costs of Ostrich Mentality

Losses at insolvent thrifts ignored by the Bush Administration will soar because thrift owners, having nothing to lose, often gamble taxpayer funds on risky new investments to try and recoup their losses. These thrifts stay open by paying interest on deposits not from any profits on investments, but from new deposits lured in by excessively high interest rates. And who guarantees these new deposits? Why taxpayers, of course.

Mr. President what are you waiting for? Take your head out of the sand and learn the lessons of the past. Stop the S&L bleeding today.

Minimum Funds Needed to Resolve
The Savings and Loan Crisis

(All amounts in billions)

Estimate Based on OMB's July 1989 Funding Summaries:

FSLIC Assistance Transactions	\$ 56
RTC Resolutions	50
REFCORP Interest Expense	69
Financing Corporation (FICO) Interest Expense	31
Establish Savings Association Insurance Fund (SAIF)	9
Post-RTC Resolutions	24
Non-RTC Administration and Other	9
Subtotal - Direct Funding Needs	<u>248</u>
Lost Tax Revenues From FSLIC Transactions	<u>9</u>

Total Based on OMB's July 1989 Estimates

\$2578

Additional Funds Needed For:

FSLIC Assistance Transactions	\$ 12
RTC Resolutions	13
RTC Administrative Expenses	10
Interest on RTC Working Capital	28
Additional REFCORP Interest Expense	<u>5</u>
Minimum Funds Needed	<u>68</u>

\$325

aThis estimate is based on OMB's estimates of the funds needed during fiscal years 1989 through 1999. However, funds will be needed in later years to pay interest on REFCORP and FICO bonds. OMB assumed that they would issue 30-year bonds. Therefore, our estimate included the entire amount of interest that would be incurred over the 30-year life of the bonds.

bThese additional funds will be needed over different periods of time. Most of the funds (\$63 billion) will be needed before the end of fiscal year 1999. The additional interest is primarily due to an extra 10 years of interest because REFCORP issued 40-year bonds instead of 30-year bonds.
