Urge you to declare "a unilateral pause in arm sales to countries in the Middle East and Persian Gulf...in order to facilitate multilateral negotiations on agreements to restrain the flow of sophisticated conventional weapons systems and other weapons technologies into this region." A pause in Mid-East arm sales will provide the proper atmosphere for arms reduction negotiations while at the same time not jeopardizing regional stability and security.

In light of our success in the Gulf War, the coalition has a continuing responsibility to address the emerging refugee and humanitarian needs in the region. "Respectfully request that you consider the appointment of a refugee and humanitarian affairs coordinator in Washington to take overall responsibility within the U.S. Government of Gulf humanitarian issues" in coordination with a parallel appointment for a similar coordinator based in the Gulf region.

Rep. Charles Rangel

Encourage you to make the narcotics issue and the Andean Trade Preferences Act (ATPA) a top priority on your agenda. President Gaviria of Columbia has made it clear that trade is a very important element in U.S. support of Colombian anti-narcotics efforts. While passing favorable trade legislation will be an uphill battle with some in Congress, having legal markets for alternative goods is essential to converting the Andean "drug dependent" economies.
