THE WHITE HOUSE

WASHINGTON

STEVE BENCIC'S ORIGINAL AMERICAN OKTOBERFEST

DATE: September 5, 1992
TIME: 9:40 a.m.
LOCATION: Lake County Fairgrounds
Painesville, Ohio.

THROUGH: DAVID DEMAREST

FROM: MARLA DONAHUE
JIM SCHAEFER

I. PURPOSE:

To participate in the 1992 Oktoberfest breakfast in Painesville, OH. To highlight your Health Care reform proposals and contrast them to the negative impacts of a nationalized health care system and "play or pay."

II. BACKGROUND:

You will travel to Painesville, Ohio in Lake County, 20 miles northwest of Cleveland, to attend a pancake breakfast at the 30th annual Steve Bencic's Original American Oktoberfest. There will be about 1,800 participants at the breakfast, during which you will give a substantive health care address. You announced your Comprehensive Health Reform Program in the Cleveland area on February 6, 1992. The Cleveland area is home to some of the most innovative approaches to health care. The Coalition of Small Employers (COSE) and the Cleveland Health Quality Choice have been pioneers in creating workable solutions to health care challenges.

The Oktoberfest is a weekend full of German food, entertainment, dancing, arts, crafts, and amusement rides. The events draw 60,000 people, primarily middle class and from many different ethnic backgrounds. The pancake breakfast has been added to the Oktoberfest activities to provide an appropriate forum for your remarks. The breakfast will be held in a totally enclosed festival tent.

The breakfast participants represent a cross section of people, including blue collar workers, small businessmen and women, ethnic representatives, and Republican party faithfuls. Painesville has a large Eastern European population, and its economy is largely based upon automotive manufacturing and agriculture. The community is mostly middle class and blue collar.

During the breakfast itself, a variety of ethnic entertainment will be featured. The groups range from the Duke Marsic Orchestra to square dancers to Bavarian Polk Bands.

Steve Bencic owns a successful German restaurant in Cleveland called the Hofbrau Haus. Mr. Bencic arrived in the Cleveland area in 1957 as a German immigrant. He considers himself an example of the American dream.

Steve Bencic's wife, Gretel, has baked a 500 lb. cake which will be 8 feet long, 40 inches wide, and 7 inches thick to benefit the Red Cross for the victims of Hurricane Andrew. The Red Cross was instrumental in reuniting Gretel and her family when she was two years old. You will have the honor of cutting the first piece of cake.

Note: In 1980, as a candidate for Vice President, you visited Mr. Bencic's restaurant in Cleveland. Steve Bencic presented you with a large beer stein.

III. PARTICIPANTS:

The President and Mrs. Bush

Lt. Governor Mike DeWine

Steve Bencic, Founder, Painesville Oktoberfest

1,800 ethnic Americans (German, Lithuanian, Slovenian, Croatian, Italian)

TALKING POINTS FOR THE
OHIO VICTORY '92 FUNDRAISER

-- THANK YOU ALL FOR THAT WARM WELCOME. IT IS GREAT TO BE BACK HERE IN THE BUCKEYE STATE. BARBARA AND I ARE DELIGHTED TO JOIN YOU HERE ON THIS WONDERFUL LABOR DAY WEEKEND. BEFORE I BEGIN, LET ME THANK A FEW GUESTS WHO HAVE BEEN GRACIOUS ENOUGH TO JOIN US HERE TODAY:

-- THE NEXT SENATOR, MIKE DEWINE, STATE CHAIRMAN BOB BENNETT AND OUR HOST CHARLES BOLTON.

-- IN JUST THE LAST FOUR YEARS, THE WORLD THAT WE HAVE KNOWN FOR THE LAST FORTY YEARS HAS TURNED UPSIDE DOWN. I BELIEVE THAT THE NEXT FOUR YEARS PRESENT AN OPPORTUNITY TO SET THIS COUNTRY ON A NEW TRACK THAT WILL SHAPE AND DEFINE THE NEXT FORTY.

CARD 2 OF 4

-- AND THIS IS EXACTLY WHY I WANT TO BE YOUR NEXT PRESIDENT- BECAUSE I KNOW THAT I AM THE RIGHT MAN FOR THE JOB.

-- THE VISION THAT WILL GUIDE THE CHANGES WE MUST MAKE IS ONE THAT WE ALL SHARE: STRONG FAMILIES, GOOD SCHOOLS, SAFE NEIGHBORHOODS, A JOB-CREATING ECONOMY, A WORLD AT PEACE.

-- IT IS A VISION OF THE FUTURE THAT YOU AND I WANT FOR OUR KIDS, OUR GRAND KIDS, - FOR ALL OF AMERICA'S CHILDREN.

-- OUR CHILDREN NOW GO TO SLEEP AT NIGHT WITH FAR LESS FEAR OF A NUCLEAR WAR. THAT SIMPLE FACT IS A DREAM COME TRUE FOR AMERICA, AND I AM PROUD OF THE WORK THAT I HAVE DONE TO HELP MAKE IT SO.

CARD 3 OF 4

-- THE SUCCESSES THAT WE HAVE ENJOYED INTERNATIONALLY HAVE LAID THE FOUNDATION FOR STEPPING UP OUR ATTACK ON OUR DOMESTIC PROBLEMS.

-- WITH OUR BOARDERS SAFE, WE CAN NOW FOCUS EVEN GREATER AMOUNTS OF ENERGY INWARD TO HELP IMPROVE THINGS RIGHT HERE AT HOME.

-- NOW, THERE ARE SOME WHO ASK "WHY CAN'T YOU BRING THE SAME KIND OF PURPOSE AND SUCCESS TO THE DOMESTIC SCENE AS YOU DID IN DESERT SHIELD AND DESERT STORM?" FAIR QUESTION. AND ONE ANSWER IS THAT I DIDN'T HAVE TO GET PERMISSION FROM THE CONGRESS TO KICK SADDAM HUSSEIN OUT OF KUWAIT.

-- GIVE ME A NEW CONGRESS, GIVE ME FOUR MORE YEARS, AND JUST WATCH ME KEEP THIS COUNTRY MOVING AHEAD.

CARD 4 OF 4

-- THE PRINCIPLES THAT YOU, THE PEOPLE OF OHIO, HAVE ALWAYS HELD DEAR ARE THOSE UPON WHICH OUR PARTY WAS FOUNDED. THEY ARE PRINCIPLES THAT WE KNOW ARE RIGHT.

-- WE ARE RIGHT ABOUT FAMILY, ABOUT FREEDOM AND ABOUT FREE ENTERPRISE. WE ARE RIGHT ABOUT FAITH. AND MOST OF ALL WE ARE RIGHT ABOUT AMERICA'S FUTURE.

-- WITH YOUR SUPPORT, WITH OUR PRINCIPLES, WE CAN TAKE OUR DREAMS FOR A BETTER AMERICA AND MAKE THEM HAPPEN.

-- AS COMMITTED REPUBLICANS, AND AS PROVEN FRIENDS, I THANK YOU AGAIN FOR ALL OF YOUR HARD WORK AND DEDICATION.

-- MAY GOD BLESS YOU ALL.

MEMORANDUM FOR THE PRESIDENT

THROUGH: HENSON MOORE 
FROM: BOBBIE KILBERG ^{BK}
CLIFF ALDERMAN
SUBJECT: OHIO (Cleveland and Painesville)

I. Discussion

A. Unemployment Rates

Ohio (Seasonally adjusted)

August 1992	7.6 percent
July 1992	7.4 percent
August 1991	6.7 percent

Cleveland (Non-seasonally adjusted)

June 1992	6.9
June 1991	5.5

Lake County (Non-seasonally adjusted)

**Note: separate figures for Painesville do not exist.

June 1992	7.5 percent
June 1991	4.5 percent

B. Exports/NAFTA

Ohio's export totals:

1990: \$16 billion

Ohio's exports to Mexico and Canada:

Mexico

1991:	\$582 million
1987:	\$245 million

Canada

1991: \$7 billion
1987: \$4 billion

Manufactured exports accounted for 94 percent of Ohio's \$7.6 billion in exports to Canada and Mexico in 1991, and supported an estimated 185,000 jobs.

An estimated 61,300 new jobs have been created by growth in Ohio's manufactured exports to our North American trade partners since 1987.

C. America 2000

Ohio has been an AMERICA 2000 state since November, 1991.

Painesville school superintendent Earl Bardall has accepted the AMERICA 2000 community challenge, and is in the process of establishing a local steering committee.

D. Waste Technologies Industries (WTI) Incinerator

This large hazardous waste incinerator in East Liverpool, Ohio (where Ohio, Pennsylvania, and West Virginia meet) was issued a permit by EPA in 1983, and is nearly constructed. In February 1992, EPA approved a permit modification, which allows WTI to add a spray dryer to its air pollution control equipment at the incinerator. During the modification process, opponents from the three states sought to reopen the entire permit in order to block the facility (a position neither EPA nor Ohio supports). EPA's approval of the spray dryer modification has been appealed by the Sierra Club. Six others also filed appeals for various reasons.

On July 24, EPA's Appeals Board denied six of the seven appeals before it and remanded to EPA the remaining appeal.

The WTI incinerator is the most controversial environmental issue in Ohio, attracting national attention from the anti-incineration movement. Governor Voinovich supports the operation of the incinerator, though he maintains the original siting of the facility was by a previous state administration (Governor Celeste) and he supports an Ohio legislative initiative to adopt an incinerator moratorium.

Local opponents recently held a "sit-in" at EPA's Washington office to demonstrate against the issuance of a test-burn permit. EPA refused to reverse its decision and the demonstrators had to be forcibly removed, with some being arrested.

E. Waste Importation

Waste importation is one of the major environmental concerns in Ohio and is an issue of particular interest to Governor Voinovich. Ohio is both a chief generator and major importer of garbage and hazardous waste. In 1990, the State imported 12 percent of its total solid waste landfill disposal.

F. Summer Youth Employment and Training Program

On June 19, 1992, Secretary Martin announced that an additional \$500 million will be distributed nationally for the 1992 Summer Youth Employment and Training Program.

Of that amount, Ohio will receive a total of \$20,268,301. The following cities will receive a portion of that allotment:

Arkon:	\$ 298,607
Cincinnati:	\$ 705,372
Cleveland:	\$1,400,722
Columbus:	\$ 786,559
Toledo:	\$ 899,055

G. Mound Nuclear Weapons Facility

The Mound Nuclear Weapons Facility, located in Miamisburg, Ohio, is being considered for consolidation by the Department of Energy (DOE). Under DOE planned consolidation of nonnuclear facilities associated with the nuclear weapons complex, the preferred option is to move production work from Mound to other DOE sites in Kansas City in order to reduce overhead costs. At present, no decision has been made on this option. The DOE decision, expected later this year, will take into account public comments and findings from an environmental assessment.

If a decision is made to terminate production, DOE hopes to minimize effects on personnel by transferring them to other programs or by early retirement. DOE will also conduct environmental restoration of the site in consultation with state and local officials.

MEMORANDUM FOR THE PRESIDENT

FROM: RONALD C. KAUFMAN *RCU*
DEPUTY ASSISTANT TO THE PRESIDENT FOR
POLITICAL AFFAIRS

SUBJECT: OHIO POLITICAL BRIEFING

POLITICAL HOT POINTS

Time Magazine conducted a poll throughout five rural counties across the country last week. One of the counties was Montgomery county in southwestern Ohio. Dukakis carried this county in 1988. Sources have discovered that the President trails Clinton here by a 41% to 42% margin with 16% undecided. Ohio Bush/Quayle operatives were ecstatic with these numbers which tend to reflect strong momentum in a tough county.

The most recent state-wide poll in Ohio was conducted (August 9-12) by the Cleveland Plain Dealer showing Clinton leading the President by a 44% to 33% margin with 15% undecided. When asked if Perot were a candidate, Clinton received 35%, the President received 30% and Perot received 19%.

The Cleveland Plain Dealer poll also revealed some interesting sentiment among the voters relating to the abortion issue. In a survey of 1,010 registered voters, 26% indicated they had a preference for a candidate who is anti-abortion while 37% said they preferred a President who favors abortion rights. 32% said a President's position on the issue was not important.

Among Republicans who said they favor abortion rights, 55% said they will support the President while 39% indicated they will support Clinton. Among Democrats who said they were anti-abortion, 79% said they will continue to support the Clinton-Gore ticket.

Bill Clinton is expected to campaign in Cincinnati on Labor Day. Al Gore is expected in the state on September 12 to address the Democratic State Convention.

Handwritten: 9/14 5:00

OHIO POLITICAL BRIEFING
PAGE TWO

The Ohio Clinton-Gore campaign started a television campaign this week with a 60-second ad in all of Ohio's major media markets. The ad stresses change and highlights the Democrat's economic plan, asserting that it would create 8 million new jobs over the next four years. While the ad does mention the President, it does not directly criticize the President.

1992 POLITICAL UPDATE - PRESIDENTIAL TRAVEL

The President's most recent trip to Ohio was on Friday, July 24, 1992 where he visited Brookeville, Ohio to attend the Brookeville Picnic. More than 10,000 people were estimated to be in attendance.

The Clinton-Gore campaign has taken yet another bus tour through Ohio. Originating in Cleveland on Friday, August 21, the Democratic ticket visited Youngstown and Erie on the way to Pennsylvania. Pat Buchanan was dispatched to the Buckeye State to counter the Democratic charges.

1992 POLITICAL OUTLOOK

As it was in 1988, Ohio will be a key political battleground in 1992. Ohio has supported Republican Presidential candidates in the past three elections (1980 - 1988), but the Democrats have indicated that they will work hard to break that tradition in 1992. Arkansas Governor Bill Clinton has made a number of campaign trips to Ohio, including stops in Utica, Columbus, and Wilmington on his bus tour with Senator Gore during the week immediately after the Democratic National Convention.

Governor Voinovich serves as General Chairman of the Ohio BUSH-QUAYLE campaign effort, with W.R. "Tim" Timken serving as Finance Chairman.

The BUSH-QUAYLE Ohio Steering Committee is composed of the following individuals: Keith McNamara, Paul Mifsud, Tally Krumm, Bob Bennett, Martha Moore, Mike Colley, Alex Arshinkoff, Tom Van Meter, Jim Tilling, Bruce Johnson, Joe Deters, Jim Brennan, Senator Grace Drake, and Melanie Mitchell. The BUSH-QUAYLE campaign headquarters opened on Monday, April 20, 1992, in Columbus. Doug Preisse serves as Executive Director.

The Ohio Presidential primary was conducted on June 2, 1992. The President easily defeated Pat Buchanan, garnering 83% of the primary vote as opposed to Buchanan's 17%. The President won the support of all 83 Ohio delegates to the Republican National Convention.

OHIO POLITICAL BRIEFING
PAGE THREE

In the Democratic Presidential Primary, Bill Clinton received 61% of the popular vote, defeating Jerry Brown with 19%, and Paul Tsongas with 11%. Clinton thus garnered 113 delegates to the Democratic National Convention, as opposed to 34 delegates for Brown, and 1 for Tsongas.

Ross Perot had developed an extensive campaign organization in Ohio and qualified for the general election ballot in the Buckeye State before withdrawing from the Presidential race. He has indicated an interest in remaining on the November ballot in Ohio.

Ohio GOP State Chairman Bob Bennett and other Republican leaders have been actively courting Perot supporters. A data base of 14,000 Perot supporters was provided to the GOP by Dee Zuber, author of the Perot magazine, America Speaks. Plans are to send a letter to all these supporters from Governor Voinovich urging their support for the President. Of the three supposed leaders of the Ohio Perot effort, two have indicated their support for the Bush/Quayle ticket.

Ohio will have 21 electoral votes in the 1992 Presidential contest. The BUSH-QUAYLE ticket carried Ohio in the 1988 election with a 55% to 44% margin.

1992 POLITICAL OUTLOOK - U.S. SENATE

On Monday, February 3, 1992, Lieutenant Governor Mike DeWine announced his candidacy for the United States Senate -- challenging Democratic incumbent Senator John Glenn. DeWine is a popular Ohio figure and expects an uphill battle, but he is considered an aggressive campaigner. His strategy will be to portray Glenn as out of touch with mainstream Ohio, and ineffective as a legislator. DeWine hopes to tap into the current anti-incumbent mood, and suggests that Ohio needs a new face in Washington. DeWine is 49 years old, Glenn is 70. DeWine is a conservative, Glenn a liberal. DeWine endorses term limitations, Glenn has served in the U.S. Senate for 18 years. The contrasts between the two candidates could not be sharper.

Though initial state-wide polls on the Senate race showed Glenn with a 47% to 29% lead, he has steadily lost ground to DeWine. The latest public statewide poll, conducted by The Cleveland Plain Dealer the week before the Republican national Convention, shows DeWine trailing Glenn by a 47% to 38% margin.

This same poll showed that 74% of those questioned had heard of Glenn's involvement in the "Keating Five" scandal.

OHIO POLITICAL BRIEFING
PAGE FOUR

An internal poll conducted earlier in the year by Tarrance and Associates for the DeWine campaign July 1-4, showed Glenn leading DeWine by only two percentage points, 48% to 46%.

DeWine's campaign was given a strong boost on July 21 when the Fraternal Order of Police of Ohio endorsed his Senatorial campaign. DeWine was the only Republican in the state endorsed by the organization at its annual meeting in Akron. The policemen's support is seen as a reflection of DeWine's tough anti-crime record as an assistant county prosecutor, state senator, congressman, and lieutenant governor.

Since July 14, DeWine has commissioned several focus group studies for a possible wave of negative advertisements that might be used to attack Glenn in the Fall.

Many have asserted that Glenn has been hurt by the "Keating Five" scandal as well as a vigorous, issue-oriented campaign conducted by DeWine. Glenn has amassed a war chest in excess of \$2 million while the National Republican Senatorial Committee has publicly committed to spending \$897,097, the legal limit in coordinated campaign funds. Glenn has already spent more on his current election than on any previous race for public office. Glenn appears to realize that he is in for the strongest challenge of his career.

As of June 30, DeWine had \$347,249 cash-on-hand and \$1 million in aggregate receipts while Glenn reported \$1.3 million cash on hand.

A fact that could become a campaign issue is the revelation that nearly half of Glenn's contributors who gave \$200 or more are from outside Ohio. In addition, more than 40% of Glenn's funds have come from PACs totaling more than \$700,000 as opposed to 11% for DeWine.

DeWine must raise over \$3 million to mount an effective challenge to the nationally known and popular John Glenn.

Governor Voinovich (who will serve as DeWine's campaign chairman) and the Ohio Republican Party have pledged their full support to DeWine, and he has requested the President's participation in an Ohio fundraising event. Both Senator Bob Dole and Secretary Jack Kemp have hosted fundraisers on DeWine's behalf.

OHIO POLITICAL BRIEFING
PAGE FIVE

Despite his involvement in the savings and loan "Keating Five" scandal, Glenn remains a popular elected figure in Ohio. Glenn's longstanding career in public service has given him tremendous credibility with voters, and most residents of the Buckeye State are willing to look past his obvious mistakes. DeWine will be careful not to attack Glenn's hero image, but will rather stress the need for change. Most experts agree that Ohio's two Democratic U.S. Senators (Glenn and Howard Metzenbaum) are far too liberal for a state with a Republican Governor, Lt. Governor, and Secretary of State.

Ohio held its Congressional primaries on June 2, 1992. The following are the results.

1st Congressional District

First-term incumbent Democrat Charles Luken resigned unexpectedly on June 28. Secretary of State Robert Taft announced a runoff election on August 4. Former Cincinnati Mayor David Mann won in a runoff election and will face Republican businessman Steve Grote who was forced to run as an independent due to the fact that no Republican candidate had filed to run against Luken before the June primary.

2nd Congressional District

Four-term incumbent Republican Bill Gradison is expected to retain his seat over Democratic challenger Tom Chandler.

3rd Congressional District

Seven-term incumbent Democrat Tony Hall is the heavy favorite to retain his seat against Desert Storm Veteran Peter Davis.

4th Congressional District

Republican incumbent Mike Oxley looks solid to retain his seat for a sixth term over Democratic challenger Raymond Hall.

5th Congressional District

Republican incumbent Paul Gillmor has no Democratic opposition.

6th Congressional District

Upon winning a hotly contested primary against Republican incumbent Clarence Miller, five term Republican incumbent Bob McEwen is expected to win this newly created seat over Democrat college professor Ted Strickland.

OHIO POLITICAL BRIEFING
PAGE SIX

7th Congressional District

Incumbent Republican David Hobson is running for a second term against Democratic challenger Clifford Hasket.

8th Congressional District

First-term incumbent Republican John Boehner is vying for re-election against Democratic challenger Fred Sennett.

9th Congressional District

Democrat incumbent Marcy Kaptur is running for a fifth term against Republican challenger Ken Brown.

10th Congressional District

Incumbent Democrat Mary Rose Oakar faced stiff opposition in a five-way primary. Oakar will face Republican challenger Martin Hoke.

11th Congressional District

Incumbent Democrat Louis Stokes is vying for a twelfth term and is challenged by Republican Beryl Rothschild.

12th Congressional District

Republican incumbent John Kasich is the heavy favorite over Democratic challenger Robert Fitrakis as he runs for a fifth term.

13th Congressional District

Upon the retirement of eight-term incumbent Democrat Donald Pease, the 13th District is an open seat. Former Secretary of State Sherrod Brown will face Republican challenger Margaret Mueller.

14th Congressional District

Incumbent Democrat Tom Sawyer looks to be the heavy favorite to retain his seat against Republican challenger Robert Morgan.

OHIO POLITICAL BRIEFING
PAGE SEVEN

15th Congressional District

With incumbent Republican Chalmers Wylie retiring after more than 25 years in the U.S. House, Democratic State Representative Richard Cordray will square off against Republican challenger and former Judge, Deborah Pryce.

16th Congressional District

Incumbent Republican Ralph Regula is expected to retain this seat against Democrat challenger Warner Mendenhall.

17th Congressional District

Democratic incumbent James Traficant, Jr. is favored to win a fifth term over Republican challenger Salvatore Pansino.

18th Congressional District

Incumbent Democrat Doug Applegate will face Republican challenger Bill Riss.

19th Congressional District

With Democrat incumbent Ed Feighan retiring after five terms, State Senator Eric Fingerhut will face Republican challenger and Lake County Commissioner Robert Gardner.

STATE LEGISLATURE

Currently, Republicans control the State Senate 21-12, and trail in the Assembly 38-61. While it is a formidable task, the state GOP is confident that it can make major gains -- if not capture the Assembly -- because Republicans control the reapportionment process. Re-mapping and reapportionment have resulted in the creation of 16 open seats.

OHIO GOP UPDATE

The Ohio Republican Party continues to strengthen its position under the leadership of Chairman Bob Bennett. The Ohio GOP is arguably one of the best run state party organizations in the nation and have devised an extensive grass roots campaign in 1992. Bennett is backed up by National Committeeman Mike Colley and National Committeewoman Martha Moore, as well as a top-notch political staff.

OHIO POLITICAL BRIEFING
PAGE EIGHT

Ohio Victory '92 has strong organization in every county. Several organizational meetings, hosted by the state party, have been conducted for local and county Republican leaders. 19 satellite phone banks, consisting of more than 500 lines, have been established throughout the state. Voter ID calls have begun and are said to be showing favorable results. Additionally, several organizational meetings hosted by the state GOP for local and county Republican leaders have been conducted statewide.

Ohio Secretary of State Robert Taft has recently devised a state-of-the-art voter registration program in conjunction with MCI Communications. MCI has agreed to provide the state with an 800 number whereupon citizens can simply call to request a voter registration form which is in the mail within 24 hours.

Thus far, the response has been overwhelming, with a reported 1,600 calls in the first week. To date, more than 8,000 Ohioans have indicated an interest in registering.

REAPPORTIONMENT UPDATE

Ohio will lose two Congressional seats in 1992 as a result of reapportionment. Republicans control the Reapportionment Board 3-2 (Governor, Secretary of State, Senate President). Ohio Republicans fared well in Congressional redistricting. As a result, Democrat incumbents Edward Feighan, Donald Pease, and Dennis Eckart will all retire in 1993.

September 4, 1992

VISIT WITH HARRIS FAMILY

DATE: September 5, 1992
TIME: 1:30 p.m.
LOCATION: Asheville, North Carolina
THROUGH: DAVID DEMAREST
FROM: WILLA HALL SMITH *whs*

I. PURPOSE

To accept the invitation extended to you by Mr. Roy Harris to have lunch with him and his family to talk about issues facing an American family.

II. BACKGROUND

On July 1, 1992, you participated in a special edition of "CBS This Morning" with Harry Smith and Paula Zahn in the Rose Garden.

During this broadcast Mr. Harris invited you to have lunch at his home. He asked that you explain to his wife and 5 and 8 year-old daughters how you have helped his family. They are concerned with education, family values, world peace, crime, the economy, etc.

The Harris family depicts the typical all-American family. Mr. Harris is an industrial engineer at Rockwell International. His wife, Diantha (DIAN-THA), is an eighth grade math and science teacher at the Asheville Accelerated Learning Center. Their two daughters are in the first and third grades. They live in a middle class neighborhood and are very active in their church.

Mr. and Mrs. Harris are both active in their community. They founded an organization called "Partners". Its primary focus is to encourage inner city kids between the ages of 10 and 14 to become involved in softball, football, soccer and cultural activities.

Mr. Harris is involved with the Youth, Parks, and Recreation department and coaches soccer and baseball. In addition, Mr. Harris is on the board of the Water Authority. Mrs. Harris started a Girl Scout troop and coaches basketball, softball, and volleyball. She also coordinates church summer camps and was recently nominated by her co-workers to be the representative in the "Teacher of the Year" competition. Their two daughters who attend public school participate in a number of activities. Lisa is a Brownie and Stacey is a Girl Scout. They both play basketball and take piano lessons. Stacey attends Vance Elementary School, a magnet school with a classical studies focus. As a magnet school, it is a good example of how choice in schools creates a higher quality education. The girls are excellent students and have always received outstanding marks for citizenship.

Last September, the Harris' received the "Volunteer Governor's Award" from Governor James Martin.

III. PARTICIPANTS

VI. REMARKS

Talking points will be provided by the Office of Public Liaison.

TALKING POINTS FOR LUNCH WITH THE HARRIS FAMILY

- o It is good to see you. I appreciate your hospitality. I bet you did not think I would take you up on the invitation.

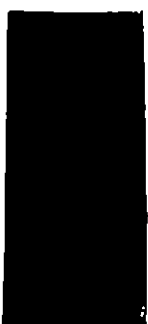

2

- o The Harris family is a fine example of what I mean when I talk about family values in this country. I am told about your commitment to your community and your church, and now I have an opportunity to see it first hand. Lisa and Stacey are terrific examples of what good parents can do to inspire good kids.

3

- o You asked about how I helped people like yourselves. Let me mention just a few things.

- o The first priority is getting the economy back on track. We've got solid proposals to spur economic growth, create jobs, but frankly many of them get stuck in the mire of Congress.

- o A big part of my program is to improve American schools and to allow parents and kids to choose the school that best fits their needs. I understand you have made that choice for Stacey. She attends a magnet school that emphasizes classical studies.
- 

- o Every family wants a safer neighborhood free of crime and drugs. That's why crime has been one of my Administration's top priorities. I have appointed tough law and order judges and greatly increased resources for law enforcement and increased funds for drug treatment and prevention.

- o There are plenty of other proposals we've made on housing, job training, small business support, the cleaning of the environment, and reforms of our legal system.

- o But remember, government programs are not a panacea to solving America's ills. It also takes citizens like you who care.
 - o We are honoring people like you through my Points of Lights program, which pays tribute to countless volunteers who give this nation a part of themselves.
- 

- o I am not with you to make a speech, I'd love to hear your thoughtful suggestions, or questions.

ATTEND HENDERSONVILLE APPLE FESTIVAL

DATE: September 5, 1992
TIME: 3:00 p.m.
LOCATION: Hendersonville, North Carolina
THROUGH: DAVID DEMAREST
FROM: CECE KREMER

I. PURPOSE

To provide a forum for you to deliver a substantive address on the economy.

II. BACKGROUND

Apples are an essential component of Hendersonville's economy. Approximately 10,000 acres in Henderson County produce 70% of the apples grown in the state, and Henderson County is recognized as the 6th largest apple-producing county in the United States.

In Hendersonville, agriculture annually generates \$70 million. Apples are the number one agricultural commodity in the region.

The most popular apples grown and processed locally are the Golden Delicious, Red Delicious, and Rome apple. The Hendersonville apple industry consists of 55% processed apples and 45% fresh market apples.

The economy of Hendersonville is relatively stable. Its economic base consists of agriculture, manufactured goods such as truck parts and wood furniture, and tourism. Many Hendersonville residents are retirees.

The Annual North Carolina Apple Festival is held in honor of the apple and Henderson County's national ranking in apple production. The festival is located on Main Street which is representative of an American small town with its "mom and pop" stores, banks and a southern courthouse. The Festival consists of parades, craft fairs, sidewalk sales and folk dances. The festivities commence on Friday, September 4 and end with the King Apple Parade on Labor Day, September 7.

Entertainment will be in progress when you arrive. The town estimates a festival crowd of 10,000-15,000 people. You will be introduced on stage in front of the courthouse and address an audience of several thousand citizens. After you deliver your address you will participate in a tour of a few festival sites. The festival is mainly composed of arts and crafts shops and stage entertainment.

MEMORANDUM FOR THE PRESIDENT

THROUGH: W. HENSON MOORE *BK for HM*
FROM: BOBBIE G. KILBERG *BK*
MARGARET M. JONAS *Jonas*
SUBJECT: NORTH CAROLINA (Asheville and Hendersonville)

I. Discussion

A. Background

Hendersonville and the surrounding areas have become one of the fastest growing retirement communities in the country. Quality of life themes are very important there and, at times, this has caused disagreements between long time "locals" and the older, wealthier "newcomers." Many of the summer residents are Florida voters.

The population of Hendersonville is 7,200; Henderson County has a population of 69,000.

The population of Asheville 61,607.

B. Economy

1. Unemployment Rates - Seasonally adjusted for the U.S. and North Carolina; the rates for Asheville and Henderson County are not adjusted.

	<u>July 1991</u>	<u>July 1992</u>	<u>Change</u>
U.S.	6.8%	7.7%	+ .9%
N. Carolina	6.1%	6.3%	+ .2%

	<u>June 1991</u>	<u>June 1992</u>	<u>Change</u>
Asheville	4.9%	5.6%	+ .7%
Henderson County	4.5%	5.1%	+ .6%

2. Other developments

The recent announcement that BMW would build their first North American plant in Greenville, South Carolina is expected to impact heavily the Henderson and Polk County areas. These counties are within easy commuting distance of the proposed site. In addition, North Carolina is the home of several automotive parts manufacturing facilities which should be positively impacted by the new site.

C. USAir/British Airways Alliance

USAir's major hub is in Charlotte, North Carolina, which is approximately 125 miles from Asheville.

On July 21, 1992, USAir and British Airways (BA) announced an agreement to form the world's largest airline alliance. The proposal calls for BA to invest \$750 million in USAir, which will provide for 44% of the overall equity of USAir, well within the 49% non-citizen ownership safe harbor established by the Northwest-KLM case last year. This alliance will strengthen USAir's financial future and assure the employment of 46,000 USAir employees nationwide, including 12,200 in North Carolina, which represents more than 25% of USAir's total workforce. The proposal is before Secretary Card for expedited approval.

American Airlines and Delta have opposed the alliance unless the British give concessions on the on-going bilateral aviation discussions. Secretary Card has indicated that he sees these as two separate issues.

D. Hurricane Andrew Relief Efforts

More than 8,000 troops from Ft. Bragg, North Carolina were ordered into South Florida last week to assist with the victims of Hurricane Andrew's destruction and to provide other essential services. (See attached press release).

On August 26, Governor Martin announced that North Carolina would "adopt" Homestead, Florida and will coordinate debris removal and restoration of electricity in that city. This past Wednesday, September 3rd, Mrs. Bush was in Raleigh to accept a \$100,000 check for Andrew relief efforts from Food Lion, a regional grocery store chain.

A Defense Medical Assistance Team (DMAT) from Winston-Salem, North Carolina was the first deployed to Miami last week to provide emergency medical care for victims of Hurricane Andrew. This DMAT Team was deactivated on August 31st and returned to North Carolina.

E. Tennessee Valley Authority (TVA)/NC Lake Level Agreement

Since 1944, TVA has been impounding water from three lakes in Western North Carolina in order to generate electricity for TVA customers. Traditionally, the annual drawdown of these lakes begins on May 1st of each year, costing the economically depressed Western region of North Carolina millions in lost recreational and development revenue. Since 1989, negotiations have been taking place between Governor Martin, Congressman Charles Taylor and TVA to reach an agreement on a

NORTH CAROLINA
PAGE THREE

later drawdown date. An agreement was reached on August 25, which delays drawdown until October of each year. This is contingent upon Congressional appropriation sufficient to reimburse TVA for the cost of lost power generation associated with the maintenance of higher lake levels.

This historic agreement will create over 1500 new jobs in western North Carolina and add over \$50 million to annual household income.

F. Occupational Safety and Health Administration (OSHA)

September 3, 1992 marks the one year anniversary of the tragic fire that broke out in a chicken processing facility located in Hamlet, North Carolina. As you may recall, the doors at the Hamlet plant were firmly locked, completely blocking access to all fire exits. Twenty-five employees died.

The Hamlet fires have resulted in a new focus on workplace safety in the state and, in the past year, a package of significant workplace safety reforms has been developed.

G. Education

1. America 2000

On September 27, 1991, Secretary Alexander and Governor Martin launched North Carolina 2000, the tenth statewide initiative to join the AMERICA 2000 effort. Currently, 79 communities in 59 of North Carolina's 100 counties have begun North Carolina 2000 initiatives. Hendersonville is an AMERICA 2000 Community.

2. Other Developments

All of the eight elementary schools in the Asheville district are magnet schools and are designated as schools of choice.

H. Drugs

Marijuana is the State's most long-standing drug problem. In 1991, marijuana was North Carolina's leading cash crop - - estimated at a value of \$1.4 billion. North Carolina was ranked fourth nationwide in the amount of harvested marijuana, with approximately 1.3 million pounds grown in 1991.

NORTH CAROLINA
PAGE FOUR

In early FY 1993, a Basic Drug Enforcement Training School is scheduled to open in Asheville. This school will provide training to approximately 50 State and local narcotic officers from the extreme western area of North Carolina.

Federal Drug Grants to the State estimated for FY 1993 are \$34.6 million, compared to \$16.0 million for FY 1989.

I. NAFTA/Exports

Manufactured exports accounted for 98 percent of North Carolina's \$2.2 billion in exports to Canada and Mexico in 1991 and supported an estimated 57,000 jobs. In 1991, exports to Mexico totalled \$331 million and exports to Canada totalled \$1.9 billion.

Since 1987, North Carolina's exports to Mexico have more than tripled, while exports to Canada have grown by more than 70 percent. Canada and Mexico are now North Carolina's first- and seventh-largest export markets. An estimated 18,000 new jobs have been created by growth in North Carolina's manufactured exports to our North American trade partners since 1987.

J. Recent Department of Labor Grants

On August 25th, Trade Adjustment Assistance funds were allocated to North Carolina in the amount of \$449,938. These funds will provide continuing services throughout the state, primarily for laid off workers.

On June 30th, the Labor Department awarded \$76,500,000 in grants to help combat chronic unemployment and substandard living conditions among migrant and seasonal farmworkers and their families.

K. Surface Transportation Funds

North Carolina's 1992 apportionment is \$435.5 million compared to 1991 apportionment of \$321.2 million.

North Carolina's total apportionment for FY 1992-97 is estimated to be over \$2.80 billion (out of approximately \$112 billion apportioned to all the State).

Through September 1, the State had obligated \$466 million or 91 percent of its available Federal-aid highway funds, compared to the average of all States' obligations of 83 percent.

NORTH CAROLINA TO ASSIST FLORIDA IN HURRICANE RECOVERY EFFORTS

RALEIGH -- At the request of Federal Emergency Management personnel, President George Bush has asked Governor Jim Martin and the State of North Carolina to assist Homestead, Florida in recovery operations in the wake of Hurricane Andrew.

The N.C. Division of Emergency Management will coordinate debris removal and restoration of electricity in the city of Homestead, Florida. The city-owned utility's distribution system, serving 16,000 customers, was destroyed. Homestead was one of the hardest hit areas of the state.

"North Carolina is recognized as having the premier emergency management operation in the United States," said Governor Jim Martin in making the announcement. "We received help from many states after Hugo in 1989. Now this is our chance to help someone else."

North Carolina Emergency Management will coordinate the reconstruction of the city's electrical distribution system. Manpower and equipment from Electricities of North Carolina will be sent to Homestead to do the work. Equipment will be transported by rail by CSX transportation systems.

"The Division of Emergency Management is ready and willing to do what needs to be done to help our neighbors in Florida recover as quickly as possible," said Alan V. Pugh, Secretary of Crime Control and Public Safety.

"Emergency Management and Electricities representatives will be meeting with Homestead officials shortly to outline our capabilities," said Joseph F. Myers, Director of N.C. Emergency Management. "Once they know exactly what is needed, things should happen very quickly."

N.C. Division of Emergency Management, along with the N.C. League of Municipalities and the Association of County Commissioners, met earlier this week to discuss how North Carolina's resources could be used to assist victims in Florida.

WASHINGTON

SEPTEMBER 3, 1992

MEMORANDUM FOR THE PRESIDENT

FROM: RONALD C. KAUFMAN *RCU*
DEPUTY ASSISTANT TO THE PRESIDENT FOR
POLITICAL AFFAIRS

SUBJECT: NORTH CAROLINA POLITICAL BRIEFING

POLITICAL HOT POINTS

The latest state-wide polling undertaken in North Carolina on the presidential race was conducted by Mason-Dixon on August 21-23, 1992. President Bush trails Governor Clinton, 48% to 44%. The 4% gap is down from the 19% lead Clinton enjoyed the previous week. Among white voters, Bush leads with 52% to Clinton's 39%. The margin of error for the poll was +/-3.5%. In North Carolina, regionally the polls are broken down as follows:

Overall

Bush	44%
Clinton	48%

Charlotte

Bush	48%
Clinton	44%

Triad area

Bush	45%
Clinton	45%

Raleigh-Durham

Bush	36%
Clinton	55%

The President was last in North Carolina on July 4 for the Faith picnic. Vice President Quayle was in the state on Tuesday August 25 for a whistlestop tour and the opening of the state Bush-Quayle headquarters (he will be in Darlington, South Carolina on Saturday to serve as the Grand Marshall of the Southern 500 parade). Last Wednesday, September 2, Mrs. Bush was in Raleigh for a United Way kick-off rally and a Victory 92 fundraiser which raised \$20,000. Mrs. Quayle is scheduled to be in Greenville next Wednesday, September 9, for a Victory 92 event.

GTJ 9/4

NORTH CAROLINA POLITICAL BRIEFING
PAGE TWO

Bill Clinton plans to be in Columbia, South Carolina on Saturday night for a rally and fundraiser. On Sunday he is going to Darlington for the Darlington 500. Columbia is approximately 150 miles from Hendersonville and not quite 100 miles from Greenville where the President will be landing. The BQ organization is aware of Clinton's appearance in Columbia and there has been some interest from veteran's groups to question Clinton further about his draft experience during this visit. Our people will be monitoring this situation closely.

Clinton has visited Greensboro for a rally and a visit to a retirement center where he attacked the President on Medicare. Estimates on the crowd size ranged from 1000-3500 people and the Charlotte Observer called Clinton's statements "misleading". Governor Martin did an excellent job of bracketing the Clinton visit.

1992 PRESIDENTIAL PRIMARY ACTIVITY

The North Carolina Presidential Primary was held on Tuesday, May 5, 1992, with the President defeating Pat Buchanan by a 71% to 20% margin, winning all 57 of North Carolina's delegates to the Republican National Convention. The BUSH-QUAYLE campaign did not run any paid media in the state. Buchanan campaigned extensively throughout North Carolina while also running targeted radio advertising in selected media markets. Buchanan had little organization in the state and virtually no support among the GOP establishment. On the Democratic side, Bill Clinton enjoyed a big victory, winning more than 60% of the vote.

The BUSH-QUAYLE ticket carried North Carolina by a 58% to 42% margin in the 1988 Presidential election. North Carolina will have 14 electoral votes in 1992. Governor Jim Martin serves as Chairman of the North Carolina BUSH-QUAYLE campaign, with Senator Jesse Helms serving as Honorary Chairman.

Ross Perot had established an extensive state-wide organization in North Carolina before leaving the Presidential race. Perot's petition drive in the Tarheel State was closed on June 17th, when his forces submitted 175,000 signature petitions supporting Perot's bid to be placed on the general election ballot. Perot was only required to submit 68,400 signatures by June 27 in order to appear on the November ballot. The State Board of Elections had officially certified Perot's petitions.

The Perot movement in North Carolina had not been as popular as in other states. The unemployment rate in the state is below 5%, with underemployment in many areas. As a result, the vibrant economy has bolstered the President's popularity.

NORTH CAROLINA POLITICAL BRIEFING
PAGE THREE

1992 U.S. SENATE OUTLOOK

Democratic incumbent U.S. Senator **Terry Sanford** is seeking re-election to his second term in 1992. Sanford, a former Governor and past President of Duke University, is well known across the state, but is considered one of the most vulnerable incumbents in the Senate due to his age (75) and liberal voting record. Sanford narrowly defeated appointed Republican Senator **Jim Broyhill** in 1986 (52% to 48%). Sanford will face GOP nominee **Lauch Faircloth**, who won a four-candidate primary. Faircloth, a former Democrat and close advisor to former Governor **Jim Hunt**, is considered a strong challenger to Sanford due to his close ties to Republican Senator **Jesse Helms**. Helms convinced Faircloth to switch parties in 1991 and run for the Senate.

The only state-wide poll conducted on the Senate race was commissioned by the Charlotte Observer and released on June 29th. Senator Sanford led Faircloth 50% to 33% with 18% of those queried undecided. The margin of error for the poll was +/-3.8%

1992 U.S. HOUSE OF REPRESENTATIVES OUTLOOK

North Carolina will pick up one seat in redistricting, giving them 12 Representatives. The current make-up is 7 Democrats and 4 Republicans. On the Republican side **Congressmen Coble** (CD-6), **McMillan** (CD-9) and **Ballenger** (CD-10) all look likely to be reelected while **Congressman Taylor** (CD-11) looks to have a difficult election against **John Stevens**. The Democrats seem safe in the 1st district (**Congressman Jones** is retiring) with **Eva Clayton** and in the 4th and 7th districts where **Congressmen Price** and **Rose** respectively seem likely to gain another term. Republicans feel we have a real opportunity in the 2nd (**Don Davis** is challenging **Tim Valentine**), 3rd (**Tommy Pollard** against **Martin Lancaster**), 5th (**Richard Burr** vs. **Steve Neal**) and 8th (**Coy Privette** challenging **Bill Hefner**) to unseat the incumbents. The new 12th district looks to be solidly Democratic.

1992 GUBERNATORIAL OUTLOOK

Incumbent Republican Governor **Jim Martin** is barred from seeking a third term, so he will retire in 1993. Republican Lieutenant Governor **Jim Gardner** will face off against former Democratic Governor **Jim Hunt**, who lost the 1984 U.S. Senate race to Senator **Jesse Helms**. The Helms-Hunt race was the most expensive U.S. Senate race in history (\$26 million spent), and probably the most negative. Many experts believe that this race for Governor could be as nasty as the 1984 Senate race. Gardner is Governor **Martin's** protege and hand-picked successor. Hunt passed up the opportunity to challenge Senator **Helms** again in 1990, deciding to wait for **Martin's** retirement. The Mason-Dixon polls on the

NORTH CAROLINA POLITICAL BRIEFING
PAGE FOUR

Gardner-Hunt matchup released August 24, 1992 show that Hunt is leading with 51% to Gardner's 38% with 11% undecided.

STATE GOP UPDATE _

The North Carolina Republican Party has been successful in electing Governor Martin to a second term (1988), electing Lieutenant Governor Gardner (1988), and re-electing Senator Helms (1990). The Party has prospered under the strong leadership of Chairman **Jack Hawke**, and National Committeeman **Jack Laughery**. Laughery also serves as the BUSH-QUAYLE '92 Regional Finance Chairman.

Both Houses of the North Carolina State Legislature are controlled by the Democrats. The balance in the State Senate is 37 Democrats to 13 Republicans. The State House is composed of 81 Democrats and 39 Republicans. The North Carolina Congressional delegation is composed of 7 Democrats and 4 Republicans. State Party Officials do not expect any gains or losses in the State Legislature this year.

On May 30, North Carolina Republicans gathered at their state convention in Greensboro, N.C. The main business of the convention was the election of 21 Bush delegates and the election of North Carolina's Republican National Committeeman and National

Committeewoman. **Jack Laughery**, who had surprising opposition, won re-election as North Carolina's National Committeeman. **Linda Shaw**, wife of Senate Minority Leader **Bob Shaw**, was elected to her first term as National Committeewoman.

WASHINGTON

September 4, 1992

MEMORANDUM FOR THE PRESIDENT

THROUGH: W. HENSON MOORE *W. Henson Moore*
FROM: BOBBIE G. KILBERG *BK*
MARGARET M. JONAS *Jonas*
SUBJECT: KENTUCKY (Louisville)

I. Discussion

A. Economy

1. Unemployment Rates - Seasonally adjusted for the U.S.; the rates for Kentucky and Louisville are not adjusted.

	<u>August 1991</u>	<u>August 1992</u>	<u>Change</u>
U.S.	6.8%	7.6%	+ .8%
	<u>June 1991</u>	<u>June 1992</u>	<u>Change</u>
Kentucky	7.2%	6.7%	- .5%
Louisville	5.4%	5.3%	- .1%

B. Operation BOPTROT/Public Corruption

On the second-to-last day of the legislative session, the FBI handed subpoenas to 15 current or former legislators. Since then, dozens more subpoenas have been handed out as part of a federal investigation of state government corruption regarding legislation on horseracing. Subpoenas have also gone to the Speaker and Democratic Floor Leader of the House and members of former Governor Wilkinson's administration. An overwhelmingly majority of those involved are democrats.

Nine current or former legislators and/or their staffers have been indicted in this federal investigation. Seven of those nine have pleaded guilty. At least two more indictments are expected in the next two to three weeks.

C. Health Care Reform

Governor Jones (D) has appointed a Task Force for Health Care Reform in an attempt to stem rising costs, including Medicaid, increase the number of health-care providers in rural areas and inner-city neighborhoods, and reduce the number of uninsured and under-insured persons in the State. The Governor plans to call a special session of the General

KENTUCKY BRIEFING
PAGE TWO

Assembly in November to consider health reform legislation which takes into account the findings and recommendations of the Task Force.

Governor Jones has said that his recent brush with death in a helicopter crash has given him a greater sense of urgency about creating an affordable, accessible health care system for all Kentuckians. FYI: Governor Jones is suffering from a serious kidney complication as a result of the crash which occurred a month ago.

D. Education

1. America 2000

The state of Kentucky has not launched a statewide initiative to join the AMERICA 2000 effort. There are, however, 50 AMERICA 2000 communities in Kentucky. Jefferson County (Louisville) is an AMERICA 2000 Community.

2. Other Developments

Jefferson County (Louisville) schools are among the best in the state in terms of student performance. Also, the financial condition of the Jefferson County school system is among the best in the state.

E. Drugs

Drugs, especially marijuana, are a persistent problem in Kentucky. Marijuana is the largest cash crop in the state -- larger than tobacco. Cocaine continues to be the primary illegal drug problem in Louisville.

Federal Drug Grants to the State estimated for FY 1993 are \$21.9 million, compared to \$10.6 million for FY 1989 -- an increase of 106%.

F. NAFTA/Exports

Manufactured exports accounted for 97 percent of Kentucky's \$1.1 billion in exports to Canada and Mexico in 1991 and supported an estimated 30,000 jobs. In 1991, exports to Mexico totalled \$164 million and exports to Canada totalled \$930 million -- 31 percent of the state's total exports.

Since 1987, Kentucky's exports to Mexico have nearly quadrupled, while exports to Canada have increased by nearly

KENTUCKY BRIEFING
PAGE THREE

50 percent. Canada and Mexico are now Kentucky's first and sixth-largest export markets. An estimated 7,000 new jobs have been created by growth in Kentucky's manufactured exports to our North American trade partners since 1987.

G. Recent Department of Labor Grants for Kentucky

<i>Program</i>	<i>Amount</i>
Chronic Unemployment/Migrant Workers	\$1.6m
Summer Youth Employment & Training Program	\$7.8m
Louisville	\$630,122
Trade Adjustment Assistance	\$207,000

H. Surface Transportation Funds

Kentucky's 1992 apportionment is \$ 221.4 million compared to 1991 apportionment of \$163.0 million.

Kentucky's total apportionment for FY 1992-97 is estimated to be over \$1.57 billion (out of approximately \$112 billion apportioned to all the States).

Through September 1, the State had obligated \$178 million or 79 percent of its available Federal-aid highway funds, compared to the average of all States' obligations of 83 percent.

THE WHITE HOUSE

WASHINGTON

September 2, 1992

MEMORANDUM FOR THE PRESIDENT

FROM: RONALD C. KAUFMAN *RCU*
DEPUTY ASSISTANT TO THE PRESIDENT FOR
POLITICAL AFFAIRS

SUBJECT: KENTUCKY POLITICAL BRIEFING

KENTUCKY HOT POINTS

The latest statewide poll, an American Research Group poll from August 1 that was released in the Courier-Journal, shows Clinton with 49% and President Bush with 45%. Clinton and Gore participated in hour-long prime time call-in show on local television on July 20 in Louisville. Gore also attended the annual Fancy Farm Picnic in western Kentucky on August 1. Senator McConnell, State Chairman of the Bush-Quayle '92 campaign spoke on behalf of the President.

Mrs. Bush is tentatively scheduled to attend a rally at the Bush-Quayle headquarters in Louisville on September 11. Vice President Quayle, Secretary Alexander and Clayton Yuetter are all scheduled to attend Victory '92 fundraisers in the near future.

Jobs will be a major issue for Kentuckians and the Clinton-Gore stand on several issue will effect many employees within the state. The extreme position on Cafe standards by Clinton should be a major issue with three car manufacturing plants in the state (Toyota in Lexington, Corvette in Bowling Green and Ford in Louisville). Gore's support of a nationwide "carbon tax" would put Kentucky coal miners out of work. And, the Clinton-Gore support of further military cuts could jeopardize jobs at Fort Knox, Fort Campbell and the Naval Ordinance in Louisville.

Kentuckians are upset over a proposed pay raise for high ranking state officials and other ethics problems associated with state employees. After pledging in his budget address on February 6 to cut top salaries, Governor Brereton Jones has seen top officials in his Administration receive 5 percent pay raises. Public outcry has been so great the Governor rescinded the pay raise on Thursday September 3. Additionally, the former Democratic Senate whip, Helen Garrett, has recently been indicted on mail fraud charges and a legislative task force has called for the outlawing of most perks for public officials.

1992 POLITICAL OUTLOOK

The Kentucky primary election was held on March 26, 1992. Neither Pat Buchanan nor David Duke were on the Republican primary ballot. The President received 74% of the vote, with the remainder uncommitted.

U.S. Senator Mitch McConnell is serving as Chairman of the Kentucky BUSH-QUAYLE '92 campaign while John Hall has agreed to serve as Finance Chairman. Congressmen Jim Bunning, Hal Rogers, and Larry Hopkins will serve as state Bush-Quayle '92 Vice-Chairmen as will Larry Forgy. Former Governor Louie Nunn withdrew as Vice-Chairman because he was disgruntled with the Kentucky BUSH-QUAYLE '92 organization. Many believe the Governor was simply irritated because he was not being consulted on campaign decisions. John Hall was named Finance Chairman for Victory '92 on August 25.

Ross Perot officially qualified for the Kentucky general election ballot on May 26, 1992, by submitting 45,000 signatures to the Kentucky Board of Elections. State law requires only 5,000 signatures be presented by mid-August. Perot held a large rally in Frankfort, attracting over 2,000 spectators. Currently Ross Perot and three others will be on the Kentucky ballot in November.

The BUSH-QUAYLE ticket carried Kentucky with 55.8% of the vote in the 1988 Presidential election.

1992 U.S. SENATE OUTLOOK

The other state-wide race in Kentucky in 1992 is the re-election effort of U.S. Senator Wendell Ford, the Majority Whip of the U.S. Senate. Ford appears to be very strong heading into the election. He not only carried each of Kentucky's 120 counties in the previous election, but has amassed a tremendous war chest. Ford will face Republican State Senator David Williams in the general election. Williams, 39, is serving his second term in the state senate. He served as Primary Chairman for Larry Hopkins' gubernatorial bid and worked for BUSH-QUAYLE '88 and the REAGAN-BUSH '84 campaign in Kentucky.

Williams has raised over \$60,000 to date and has been promised full funding by the National Republican Senatorial Committee.

The last state-wide poll taken regarding this race was sponsored by the NRSC in December 1991. When asked "Would you vote to re-elect Wendell Ford regardless of who ran against him,"

KENTUCKY POLITICAL BRIEFING
PAGE THREE

42% responded "yes", 46% responded "no", and 12% were "unsure". When asked if Senator Ford deserved re-election, 41% said he "deserved to be re-elected", and 46% responded that he "did not deserve re-election".

1992 U.S. HOUSE OF REPRESENTATIVES UPDATE

Kentucky lost one congressional district (from 7 to 6 districts) as a result of the 1990 census. The current Congressional delegation balance is 4 Democrats and 3 Republicans. The Democratic Governor and State Legislature have made every attempt to protect Democratic incumbents. Republican U.S. Representative **Larry Hopkins** (KY-6) has announced his retirement after losing a substantial portion of his previous electoral base in redistricting. Nine-term Democratic U.S. Representative **Carroll Hubbard** lost in his primary race after posting fifty-four overdrafts in the House banking scandal. Democratic Representative **Chris Perkins** announced his retirement after four terms, having posted thirty-seven overdrafts.

The two remaining Republican incumbent U.S. Representatives from Kentucky, **Hal Rogers** (CD-5) and **Jim Bunning** (CD-4), currently face difficult challenges. Each is saddled with a district that is over 50% new as a result of redistricting.

The remaining four districts look to be Democratic, but the Republicans feel we have a chance in CD-3 where **Susan Stokes** is challenging incumbent **Romano Mazzoli** and CD-6 where **Charles Ellinger** hopes to retain **Hopkins** seat against **Scott Baesler**.

STATE GOP UPDATE

The Republican National Committeeman for Kentucky is **Mike Dunkin** who replaced Representative **James Bunning** and the National Committeewoman is **Nelda L. Barton**. The GOP State Chairman is **Robert E. Gable**, the longest serving Republican state chairman in the nation. GOP party elections were held on Saturday, June 20, 1992. Barton and Gable were re-elected and Dunkin was elected to replace Bunning. Dunkin was a White House staffer for Ronald Reagan in 1988.

Republicans have recently had a very tough time winning state-wide office in Kentucky. Not only did **Larry Hopkins** lose the gubernatorial contest in Kentucky, but the Republican nominees for all other state-wide offices in 1991 -- Lieutenant Governor, Secretary of State, Attorney General, Treasurer, Commissioner of Agriculture, Auditor of Public Accounts, and Superintendent of Public Instruction -- lost handily in their respective races.

KENTUCKY POLITICAL BRIEFING
PAGE FOUR

Furthermore, efforts by the state party to raise money for their legislative trust fell well below anticipated levels.

STATE LEGISLATIVE UPDATE

The current balance in the State House is 32 Republicans to 68 Democrats. The current balance in the State Senate is 11 Republicans to 27 Democrats. All 100 State House seats are up in 1992, as are 19 state senate seats.
