Your MethodistCare Benefits At-A-Glance

MethodistCare HMO provides cost-effective, quality healthcare services throughout southeast Texas. Serving 44 counties, MethodistCare HMO offers members a comprehensive network of providers, including physicians, medical groups, hospitals, labs and other medical facilities all located within your community.

Primary Care Services

When enrolling in MethodistCare HMO, you and each covered family member select a primary care physician (PCP) who participates in the MethodistCare HMO provider network. A PCP is a doctor who specializes in general medicine, internal medicine, family practice or pediatrics. The PCP will act as your personal doctor for all of your healthcare needs. If you need care that your PCP does not provide directly, he or she will refer you to the appropriate specialist or facility.

Preventive Care

MethodistCare HMO wants to help keep you healthy. That is why there is only a copayment for a periodic physical or an annual Well-Woman exam. All other covered services, coordinated by your PCP, are also available for a small copayment. Plan copayments are described in the enclosed Benefits Summary.

Emergency Care

In case of an emergency, MethodistCare HMO members are covered 24 hours a day, seven days a week, anywhere in the world.

Membership

Each member receives a MethodistCare HMO member identification card. This card is the key to convenient, 24 hour access to health care services.

How to Enroll in MethodistCare HMO

- Complete the enrollment form enclosed in this packet.
- Select a Primary Care Physician (PCP) for you and each eligible family member.
- Sign and return the completed enrollment form to your Human Resource or Personnel department during open enrollment.

Answers to Frequently Asked Questions

Q. What is a Primary Care Physician? Why do I need one?

A. Your first step when you enroll in MethodistCare HMO is to choose a primary care physician, or PCP from a list of participating doctors. A PCP is a doctor specializing in general medicine, internal medicine, family practice or pediatrics. Your PCP will act as your personal doctor for all of your health care needs. Your PCP will provide regular check ups, medical treatment, order lab work, x-rays, & other lab tests, refer you to a specialist when appropriate, and arrange for hospitalization or outpatient services.

Q. Can I change my PCP? How do I do that?

A. You may change your PCP by calling Member Services toll free at 1-888-955-4200. You may change your PCP up to four (4) times per year but no more than one (1) time per month.

Q. What if I need care from a doctor other than my primary care physician? What if I need specialist care?

A. If you need care or services that your PCP cannot provide directly, he or she will refer you to the appropriate specialist or facility for care.

There are some situations, which do not require a referral from your PCP. They include any OB/GYN services (well woman exam, OB care, mammograms), chemical dependency and substance abuse services and emergency care.

Q. What do I pay for services?

A. As a MethodistCare HMO member, you are only responsible for the applicable copayment, if any, for services rendered. There are no claims to file! Enclosed in this packet is a Benefits Summary that outlines your costs.

Q. What about Emergency Care? What if I am injured while traveling?

A. All MethodistCare HMO members are covered for emergency care 24 hours a day, seven days a week, anywhere in the world. In case of emergency, seek help immediately at the nearest medical care facility.

For additional information regarding MethodistCare HMO, please call Member Services toll free: 1-888-955-4200

MethodistCare

MethodistCare is a Health Maintenance Organization (HMO) which offers a comprehensive network of health care providers and services throughout Southeast Texas. The MethodistCare HMO is designed to assist you in getting the care you need, when you need it.

Choosing Your PCP

Your first step when you enroll in MethodistCare is to choose a primary care physician (PCP) from the list of participating providers included in this directory. PCPs may be chosen from the providers listed under Family Practice, General Practice, Internal Medicine and Pediatrics.

Your PCP will:

- Provide regular checkups
- Provide treatment
- Order lab work, X-rays and other tests
- Refer you to a specialist when appropriate
- Arrange for hospitalization or outpatient services

OB/GYNs are not considered PCPs.

Changing Your PCP

If you wish to change your PCP, please call Member Services toll free at (888) 955-4200. Each family member may change his or her PCP up to four times per year, but no more than once per month. If a PCP no longer participates in MethodistCare HMO, you will need to choose another PCP. This change does not count toward the PCP change limits described above.

Women's Health Services

Members may see participating obstetricians and gynecologists for any services without a referral or prior authorization from their PCP. This means if you have an obstetrical and/or gynecological problem, you think you are pregnant or would like a well-woman exam, you may make an appointment with your OB/GYN specialist without prior approval from your PCP or MethodistCare.

Providers are independent contractors and not employed by MethodistCare.

Specialist Care

In the event you need to see a specialist other than your OB/GYN, your PCP must coordinate your referral to a participating MethodistCare HMO specialist listed in this directory. Your PCP may give you an authorization form that describes the treatment or services to be provided by the specialist or make the referral by phone. If the PCP gives you the form, be sure to take the form with you when you see the specialist.

Your plan will cover only the care and the number of visits authorized by your PCP. If you obtain services from a specialist without a referral from your PCP, you may be required to pay the full cost of those services.

Emergency Care

Whether at home or away traveling, your MethodistCare health plan provides emergency care coverage 7 days a week, 24 hours a day.

Mental Health and Substance Abuse Services

Members do not need a referral from their PCP or MethodistCare for Mental Health and Substance Abuse Services. For services and provider information, call Plan 21 at (713)621-6500 or toll free at (800)622-7276.

Prescription Drugs

If MethodistCare provides your prescription drug coverage, you may obtain your prescription(s) at any MethodistCare participating pharmacy listed in this directory.

We encourage you to ask your provider if he or she is still participating in MethodistCare or call Member Services toll free at (888) 955-4200 as provider participation may be subject to change.

Providers are independent contractors and not employed by MethodistCare.

Your MethodistCare Benefits At-A-Glance

MethodistCare HMO provides cost-effective, quality healthcare services throughout southeast Texas. Serving 44 counties, MethodistCare HMO offers members a comprehensive network of providers, including physicians, medical groups, hospitals, labs and other medical facilities all located within your community.

Primary Care Services

When enrolling in MethodistCare HMO, you and each covered family member select a primary care physician (PCP) who participates in the MethodistCare HMO provider network. A PCP is a doctor who specializes in general medicine, internal medicine, family practice or pediatrics. The PCP will act as your personal doctor for all of your healthcare needs. If you need care that your PCP does not provide directly, he or she will refer you to the appropriate specialist or facility.

Preventive Care

MethodistCare HMO wants to help keep you healthy. That is why there is only a low copayment for a periodic physical or an annual Well-Woman exam. All other covered services, coordinated by your PCP, are also available for a low copayment. Plan copayments are described in the enclosed Benefits Summary.

Emergency Care

In case of an emergency, MethodistCare HMO members are covered 24 hours a day, seven days a week, anywhere in the world.

Membership

Each member receives a MethodistCare HMO member identification card. This card is the key to convenient, 24 hour access to health care services.

How to Enroll in MethodistCare HMO

- Complete the enrollment form enclosed in this packet.
- Select a Primary Care Physician (PCP) for you and each eligible family member.

Answers to Frequently Asked Questions

- Q.** What is a Primary Care Physician? Why do I need one?
- A.** Your first step when you enroll in MethodistCare HMO is to choose a primary care physician, or PCP from a list of participating doctors. A PCP is a doctor specializing in general medicine, internal medicine, family practice or pediatrics. Your PCP will act as your personal doctor for all of your health care needs. Your PCP will provide regular check ups, medical treatment, order lab work, x-rays, & other lab tests, refer you to a specialist when appropriate, and arrange for hospitalization or outpatient services.
- Q.** Can I change my PCP? How do I do that?
- A.** You may change your PCP by calling Member Services toll free at 1-888-955-4200. You may change your PCP up to four (4) times per year but no more than one (1) time per month.
- Q.** What if I need care from a doctor other than my primary care physician? What if I need specialist care?
- A.** If you need care or services that your PCP cannot provide directly, he or she will refer you to the appropriate specialist or facility for care.
- There are some situations, which do not require a referral from your PCP, they include any OB/GYN services (well woman exam, OB care, mammograms), chemical dependency and substance abuse services and emergency care.
- Q.** What do I pay for services?
- A.** As a MethodistCare HMO member, you are only responsible for the applicable copayment, if any, for services rendered. There are no claims to file! Enclosed in this packet is a Benefits Summary that outlines your costs.
- Q.** What about Emergency Care? What if I am injured while traveling?
- A.** All MethodistCare HMO members are covered for emergency care 24 hours a day, seven days a week, anywhere in the world. In case of emergency, seek help immediately at the nearest medical care facility.

**MEDICAL SPENDING ACCOUNT WORKSHEET**

This worksheet will help you estimate your out-of-pocket expenses for health care not covered by the Baylor Health Care or the HMO plans, or the Dental Plan. You can use this estimate to decide whether, and how much, to contribute to the Medical Spending Account.

Remember to be conservative in your estimates and plan carefully. If you do not use all the funds in your account, the money cannot be returned to you or carried over to the next plan year. Please see your brochure for important information about how the account works.

Important Note: This is a short plan year – July-December 1997. Your qualifying health care expenses may be limited by the amount you contributed to Medical Spending Account during the first half of 1997.

PART 1. HEALTH CARE EXPENSES

Think about what you spent last year on health care. How many of these expenses will you have during the short plan year? Will you have new expenses?

Note: During this enrollment period, if you do not want to change your election to pay premiums on a pretax basis, you should skip this section. Your election for the current year will continue.

- ☐ I hereby elect to pay premium contributions with pretax dollars. I understand that my premiums will be deducted from each paycheck before federal income and social security taxes (FICA) are withheld. I authorize Baylor College of Medicine to reduce my salary in an amount equal to my premium contributions for family health care, family dental care, and accidental death and dismemberment as I have elected. I understand this salary adjustment is made in equal installments each pay period.
- ☐ I hereby elect to stop participating in the PreTax Premium Plan and to pay premium contributions on an after-tax basis.

4. Medical Spending Account Election

Note: During this enrollment period, you must complete this section if you want to participate in the Medical Spending Account for the short plan year. Your election to participate for the current year does not continue.

- ☐ I hereby elect to participate in the Medical Spending Account. My total deposit for July through December 1997 is \$_____ (calendar year maximum \$2,000). I understand that this amount will be deducted from my pay before federal income and social security (FICA) taxes are withheld. I authorize Baylor College of Medicine to make the deduction in equal amounts from each paycheck beginning with the first paycheck after my participation becomes effective (July 1) and ending with the last paycheck I receive in December 1997. The total deposit will be divided into equal installments each pay period and expenses eligible for reimbursement will be those incurred from July 1, 1997 through December 31, 1997.

5. Dependent Care Spending Account Election

Note: During this enrollment period, you must complete this section if you want to participate in the Dependent Care Spending Account for the short plan year. Your election to participate for the current year does not automatically continue.

- ☐ I hereby elect to participate in the Dependent Care Spending Account. I understand that this amount will be deducted from my pay before federal income and social security (FICA) taxes are withheld. I authorize Baylor College of Medicine to make the deduction in equal amounts from each paycheck beginning with the first paycheck after my participation becomes effective (July 1) and ending with the last paycheck I receive in December 1997. The total deposit will be divided into equal installments each pay period and expenses eligible for reimbursement will be those incurred from July 1, 1997 through December 31, 1997.

6. Your Signature — I certify the information provided above is true and correct to the best of my knowledge. I will inform Baylor College of Medicine of any applicable changes. I understand that any misrepresentation will result in the termination of my employment. All benefit coverages have been fully explained; I have received a copy of the Benefits Summary and applicable Summary Plan Descriptions describing these benefit programs; and accept the terms and provisions on the back of this form.

I understand that when I elect coverage, I also authorize Baylor College of Medicine to make appropriate deductions from my pay. This request and authorization applies to the Plans as they are now or as they are changed, and will continue to apply until they are changed by my completion of an Enrollment/Change Form.

I understand that my election remains in effect through December 31, 1997 (the end of the plan year). I also understand that I may not stop or change my enrollment election at any time during the short plan year except in the case of a change in family status as specified in the PTPP and then only changes consistent with the change in family status will be allowed. When there is no change in family status, I am advised that I can change or stop participating in the PTPP only during enrollment for the next plan year. I understand that only qualified health care and dependent care expenses incurred during my period of participation are eligible for reimbursement and that I will lose any unused balance remaining in my Spending Account as of the end of the year (December 31) if I do not file for reimbursement of eligible health care and/or dependent care expenses by March 31, 1998.

Instructions

- If additional space is needed for information in Section 2, fill in Section 1, 2 and 6 on another Enrollment Form.

ELIGIBILITY FOR BAYLOR HEALTH CARE PLAN BENEFITS

All Faculty, Staff and Non-clinical Postdoctoral Appointments are eligible to join the Baylor Health Care Plan on the first day of employment. Eligible dependents may join on the same date. If two eligible participants (*the term participant refers to Faculty, Staff and Non-clinical Postdoctoral Appointments*) are married, the dependent children can be covered as dependents of only one participant.

ELIGIBILITY FOR RESIDENTCARE PLAN BENEFITS

Residents and persons with Clinical Postdoctoral Appointments are eligible to join the RESIDENTCARE Plan on the first day of employment. Eligible dependents may join on the same date. If two eligible participants are married, the dependent children can be covered by only one participant.

Effective Date of Coverage

Coverage begins the date eligible participants (and their dependents) enroll in the Plan if that date is within 31 days of the date of hire.

If new eligible dependents are acquired through birth, marriage, or adoption, they should be enrolled within 30 days after they are acquired.

Late Enrollment

If enrollment takes place more than 30 days after initial employment, the participant is considered a late entrant. The late entrant must provide (at his or her own expense) evidence of insurability and have the application approved by the plan underwriter before coverage can take effect.

A late entrant to the Baylor Health Care Plan or RESIDENTCARE Plan must complete the Enrollment Form and the Late Entrant Application for Group Benefits. The form and application may be obtained from the Benefits Office. They must be returned to the Benefits Office for handling. The application will be reviewed by the underwriter. More information may be requested and recommendations may be made by the underwriter. The applicant is responsible for providing any additional information requested. Based on the information provided, the underwriter may approve or deny coverage in the Baylor Health Care Plan or RESIDENTCARE Plan.

ELIGIBILITY FOR METHODISTCARE OR CIGNA HMO

Eligibility rules for new participants and their dependents are the same under the MethodistCare or CIGNA HMOs as under the Baylor Health Care Plan. However, if a participant enrolls in the MethodistCare or the CIGNA HMO, their enrollment will be in effect for the short plan year and changes to enrollment of dependents may only be made as a result of a change in family status.

ELIGIBILITY FOR DENTAL PLAN BENEFITS

Eligibility rules for new participants and their dependents are the same under the Dental Plan as under the Baylor Health Care Plan and RESIDENTCARE Plan. However, if a participant is a late entrant (enrolling more than 30 days after his or her hire date) the rules are different.

If you are a late entrant, coverage for you and eligible dependents, age 5 and over, is limited under the Basic Dental Plan during the first year to:

- Necessary dental services received due to an accident which occurs while covered
- Preventive or basic dental services, such as "visits and x-rays, visits and examinations, x-rays and pathology, and restorative dentistry."

Orthodontic expense insurance will not apply to a procedure for which an active appliance is installed before a child is covered by the Plan for two years.
