SUBJECT: NSR-29 (Intelligence Capabilities: 1992-2005) --
Format for Requirements

Bush Presidential Library Photocopy

Attached you will find a proposed format which may assist in the preparation and eventual correlation of the NSR-29 intelligence requirements. It is suggested you limit each topic to one page or less, and have one page for each of your topics. As General Scowcroft said on December 16, this format is not intended to constrain thinking about your requirements for intelligence. Do not forget to include topics you anticipate you will not need in the future and indicate the timeframe they will not be needed.

A handwritten signature in blue ink, appearing to read 'W. F. Sittmann', with a long horizontal flourish extending to the right.

William F. Sittmann
Executive Secretary
